1.0 INTRODUCTION

The Old Town Floridian Community Development District (the “District”) is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended (F.S.). The District contains approximately 77.14+/- gross acres and is being developed as a master planned community (the “Development”) located in the City of Florida City, Florida (the “City”) within Miami-Dade County, Florida (the “County”). The Development is planned to contain 446 residential units, consisting of 178 villas, 160 townhomes and 108 single-family homes.

The District intends to finance the acquisition and/or construction of all or a portion of the Capital Improvement Plan (as herein defined). The table below shows the total number of planned residential units to be located on the lands within the District.

This First Supplemental Special Assessment Methodology Report dated February 19, 2025 (the “First Supplemental Report”), which supplements the Master Assessment Methodology Report dated May 18, 2021 (the “Master Report”), each prepared by Special District Services, Inc., sets forth the allocation of special assessments as it relates to the sale and issuance by the District of its Special Assessment Bonds, Series 2025 (“Series 2025 Bonds”) for the primary purpose of financing a portion of the Capital Improvement Plan and will equitably allocate the costs being incurred by the District to provide the direct and special benefits of the Capital Improvement Plan to the assessable lands in the District as identified herein on **Exhibit “A”**. The public improvements to be constructed or acquired by the District (the “Capital Improvement Plan”) are described in the Engineer’s Report Infrastructure Improvements dated May 18, 2021, as may be amended and supplemented from time to time (the “Engineer’s Report”), prepared by Alvarez Engineers, Inc.(the “Engineer”).

2.0 CAPITAL IMPROVEMENT PLAN TO BE FUNDED BY THE DISTRICT

The Capital Improvement Plan is comprised of an interrelated system of public infrastructure improvements which will serve and directly and specially benefit all assessable areas within the District. The Capital Improvement Plan will serve all assessable lands within the District and the improvements will be interrelated such that they will reinforce one another. The total cost of the Capital Improvement Plan is currently estimated to be \$12,001,000. A detailed table of the estimated Capital Improvement Plan costs for the development is included herein on **Table A**. The Series 2025 Bonds will be repaid through the levy of non-ad valorem special assessments (the

“2025 Special Assessments”) on all assessable property within the District. The Capital Improvement Plan has been designed to be functional and confer direct and special benefits to the landowners within the District. Any portion of the Capital Improvement Plan not financed through the issuance of Series 2025 Bonds will be paid for by either Zamora Corporation, a Florida corporation, or its successors or assigns (herein, the “Developer”).

Construction and/or acquisition for the District’s proposed infrastructure improvements constituting the Capital Improvement Plan are described in the Engineer’s Report.

The construction costs for the Capital Improvement Plan identified in this First Supplemental Report were provided by the Engineer. Special District Services, Inc., as District Manager, makes no representation regarding the accuracy or validity of those costs and did not undertake any analysis or verification regarding such costs.

3.0 FUNDING OF IMPROVEMENTS

To defray the costs of construction or acquisition of a portion of the Capital Improvement Plan, the District will impose the 2025 Special Assessments on benefited real property within the District. The 2025 Special Assessments are based on the direct special and peculiar benefits accruing to such property from the improvements comprising the Capital Improvement Plan. The use of 2025 Special Assessments has an advantage in that the properties that receive the direct and special benefits from the Capital Improvement Plan are the only properties that are obligated to pay for those facilities and services. Without these improvements, development of the property would not be possible.

In summary, special assessments may be levied: (1) for facilities which provide direct and special benefits to property as distinct from general benefits, (2) only against property which receives that direct and special benefit, (3) in proportion to the direct and special benefits received by the properties; and (4) according to fair and reasonable methods that the governing body of the jurisdiction determines. The 2025 Special Assessments placed upon various benefited properties in the District must be sufficient to cover the debt service of the Series 2025 Bonds that will be issued for financing all or a portion of the Capital Improvement Plan.

Until all the land within the District has been platted and sold, the 2025 Special Assessments on the portion of land that has not been platted and sold are not fixed and determinable. The reasons for this are (1) until the lands are platted, the number of developable acres within each tract against which the 2025 Special Assessments are levied is not determined; (2) the lands are subject to re-plat, which may result in changes in development density and product type; and (3) until the lands are sold it is unclear of the timing of the absorptions. Only after the property has been platted will the developable acreage be determined, the final plat be certain, the development density known and the product types confirmed.

4.0 ALLOCATION OF COSTS AND ASSESSMENTS

In developing the methodology used for 2025 Special Assessments in the District, three interrelated factors were used:

- A. Allocation of benefit: Each parcel of land within the District directly and specially benefits from the proposed improvements.
- B. Cost/Benefit: The 2025 Special Assessments imposed on each parcel of land cannot exceed the value of the direct and special benefits provided to such parcel.
- C. Fair apportionment. The 2025 Special Assessments must be fairly apportioned among the various product types commensurate with each product type’s benefit.

The planned improvements comprising the Capital Improvement Plan is an integrated system of facilities designed to provide direct and special benefits to the assessable property within the District as a whole. The Capital Improvement Plan is intended to work as a total system which will provide direct and special benefits for each unit type. The fair and reasonable method of allocating the benefit to each planned residential unit has been accomplished by assigning an *equivalent assessable unit* (“EAU”) to each unit. Therefore, for the purpose of this First Supplemental Report each single family residential unit will be assigned one (1) EAU. The other proposed land uses will be assigned as follows in **Table 2**.

Table 2 – Equivalent Assessable Unit (EAU)

Product Type	# of Units	EAU
Villa	178	0.615
Townhouse	160	0.769
Single Family	108	1.000
Total Units	446	

Given the District’s approved land use plan and the type of infrastructure to be funded by the proposed 2025 Special Assessments, this method results in a fair allocation of direct and special benefits and an equitable allocation of costs for the Capital Improvement Plan. The direct and special benefit received and applied to each parcel and/or residential dwelling unit/lot as a result of the construction of public infrastructure improvements will equal or exceed the cost of such units allocated to each parcel and/or unit/lot. However, if the future platting results in changes in land use or proportion of benefit per acre and/or unit type, this allocation methodology may not be applicable and it may be necessary for the District to revise the allocation methodology.

To the extent land is sold in bulk, prior to platting, to a third party then, the District will assign debt based upon the development rights conveyed based upon the *EAU* factors as shown herein.

5.0 COLLECTION OF 2025 SPECIAL ASSESSMENTS

The proposed 2025 Special Assessments for the District will be collected through the Uniform Method of Collection described in Section 197.3632, Florida Statutes (“F.S.”). or any other legal means available to the District.

Since there are costs associated with the collection of the 2025 Special Assessments (whether by uniform method of collection as authorized under Section 197.3632, F.S., or other legal methods allowed by Florida law), these costs must also be included in the special assessment lien. These

costs generally include the 1% collection fee of the County Tax Collector, a 1% service fee of the County Property Appraiser and a 4% discount for early payment of taxes. The lien of the 2025 Special Assessments includes the maximum amount that may be charged under Florida law by the County Tax Collector and County Property Appraiser, even though the maximum amounts are not currently being charged. These additional costs may be reflected by dividing the annual debt service and maintenance assessment amounts by a factor of 0.94. In the event the 2025 Special Assessments are direct billed, then, the collection costs and discounts may not apply.

6.0 FINANCING STRUCTURE

The estimated cost of the Capital Improvement Plan is approximately \$12,001,000. The construction program and the costs associated therewith are identified herein on **Table A**.

A portion of the capital improvements comprising the Capital Improvement Plan will be financed by the Series 2025 Bonds), which will be payable from and secured by 2025 Special Assessments levied annually on all 446 planned units within the District. The Series 2025 Bonds are being issued to finance a portion of the Capital Improvement Plan. The principal amount of the Series 2025 Bonds issued to finance the Capital Improvement Plan is \$8,655,000*. The net proceeds of the Series 2025 Bonds will provide \$7,431,894* for construction and/or acquisition related costs. The sizing of the Series 2025 Bonds includes a debt service reserve fund, capitalized interest, issuance costs and underwriter's discount as shown herein on **Table B**.

7.0 MODIFICATIONS, REVISIONS AND TRUE-UP MECHANISM

Allocation of costs and benefits, shown herein on **Table C** and **Table D**, for the Capital Improvement Plan financed by the District (estimated at \$12,001,000) is initially based on the estimated number of dwelling units (446) projected to be developed and benefited by the infrastructure improvements comprising the Capital Improvement Plan. Based on the estimated Series 2025 Bond size of \$8,655,000*, at an average coupon interest rate of 5.65%, the maximum annual debt service for the Series 2025 Bonds as shown herein on **Table E**, will be \$611,618, which has not been grossed up to include the 1% County Tax Collector fee, 1% County Property Appraiser fee, and 4% discount for early payment of taxes.

To ensure that each residential lot is assessed no more than their pro-rata amount of the maximum annual debt service shown herein on **Table E**, the District will be required to perform a "true-up" analysis, which requires a computation at the time of submission of any plat or re-plat to determine the potential remaining assessable dwelling lots/units in the District. The District shall, at the time a plat or re-plat within the District is submitted to the County:

A. Assume that the total number of assessable residential units being utilized as a basis for this First Supplemental Report is as described below, **Table 3** ("Total Assessable Lots/Units").

Remainder of page intentionally left blank

* Preliminary, subject to change at final pricing

Table 3 – Total Assessable Lots/Units within the District

Land Use Category	Unit
Villa	178 Dwelling units
Townhome	160 Dwelling units
Single Family	108 Dwelling units

B. Ascertain the number of assessable residential dwelling units in the proposed plat or re-plat and all prior plats (“Planned Assessable Lots/Units”).

C. Ascertain the current amount of potential remaining assessable dwelling units (“Remaining Assessable Lots/Units”).

If the Planned Assessable Lots/Units are equal to the Total Assessable Lots/Units no action would be required at that time. However, if the sum of the Planned Assessable Lots/Units and the Remaining Assessable Lots/Units are less than an estimated number reflected in **Table 3**, the Developer will be obligated by the District to remit to the District an amount of money sufficient to enable the District to retire an amount of Series 2025 Bonds plus accrued interest such that the amount of 2025 Special Assessments allocated to each Planned Assessable Lot does not exceed the amount of debt service that would have been allocated thereto had the total number of Planned Assessable Lots/Units and Remaining Assessable Lots/Units not changed from what is represented in **Table 3**. Conversely, if the Planned Assessable Lots/Units and Remaining Assessable Lots/Units of the residential lots/units is greater than the Total Assessable Lots/Units, then, there will be a pro-rata decrease in the 2025 Special Assessments to all of the benefited properties.

All assessments levied run with the land. In the event of a plat or re-plat, a determination of a true-up payment shall be based on the terms and provisions of a true-up agreement entered into between the District and the applicable landowner. It is the responsibility of the landowner of record to make any required true-up payments that are due. The District will not release any liens on the property for which true-up payments are due until provision for such payment has been satisfied. In the event that additional land not currently subject to the assessments is developed in such a manner as to receive special benefit from the Capital Improvement Plan described herein, it will be necessary for this First Supplemental Methodology to be re-applied to include such parcels. The additional land will, as a result of re-applying this First Supplemental Methodology, then be allocated an appropriate share of the 2025 Special Assessments while all currently assessed parcels will receive a relative reduction in their 2025 Special Assessments.

The debt represented by the Series 2025 Bonds should be allocated initially on the unplatted gross acres within the District until such time as the planned lots are platted. The lien will shift to the parcels as represented in **Table F**, upon platting on a first platted, first assigned basis.

8.0 PRELIMINARY ASSESSMENT ROLL

The preliminary assessment roll includes the developable acres located within **Exhibit “A”**, currently owned by the Developer. **Table F** and **Exhibit “A”** comprise the preliminary assessment roll. The District will distribute the 2025 Special Assessment lien over the 77.14+/- gross acres within the District until such time as the 446 lots are platted. As platting of the planned 446 lots occurs, the 2025 Special Assessments will be assigned to the platted lots in the Development on a first-platted, first-assigned basis. Assuming that all of the 446 planned residential units within the Development are developed and platted, then the 2025 Special Assessments will be allocated on the per unit basis as identified herein on **Table C**, **Table D** and **Table F**.

WHEREAS, the proceeds of the Bonds shall also fund a debt service reserve account, fund capitalized interest on the Bonds and pay the costs of the issuance of the Bonds.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the Old Town Floridian Community Development District, as follows:

Section 1. Negotiated Limited Offering of the Bonds. The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the Bonds to achieve maximum debt service savings and secure better rates, it is necessary and in the best interest of the District that the Bonds, in the aggregate principal amount of not exceeding \$10,000,000, all be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the Bonds are not sold pursuant to competitive sales.

Section 2. Purpose. The District hereby authorizes the financing of a portion of the Capital Improvement Plan consisting of the acquisition and construction of certain public infrastructure benefiting the assessable lands within the District by issuing the Bonds and such public infrastructure shall constitute the Capital Improvement Plan, which includes, but is not limited to, a water distribution system, including the payment of connection fees; a sanitary sewer collection system, including the payment of connection fees; stormwater management and drainage facilities; roadway improvements, including, but not limited to, landscaping, and an irrigation system, and the payment of road impact fees; and all related soft and incidental costs, all as more particularly described in the Engineer’s Report.

Section 3. Authorization of Issuance of Bonds. There are hereby authorized and directed to be issued the “Old Town Floridian Community Development District Special Assessment Bonds, Series 2025” for the purpose of (i) providing funds to pay all or a portion of the costs of the Capital Improvement Plan, (ii) funding a debt service reserve account, (iii) funding capitalized interest on the Bonds, and (iv) paying the costs of issuance of the Bonds. The Bonds shall be issued under and secured by the Master Indenture, as supplemented by the First Supplemental Indenture, the form of which by reference is hereby incorporated into this Resolution as if set forth in full herein.

To the extent that the Bonds are issued in a calendar year other than calendar year 2025, all references to “2025” contained in the designation of the name of the Bonds and any defined term in this Resolution shall, without further action of the Board, be replaced with the calendar year in which the Bonds are issued.

Section 4. Bond Purchase Contract; Sale of the Bonds. Except as otherwise provided in the last sentence of this Section 4, the proposal submitted by the Underwriter offering to purchase the Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 4, the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by counsel to the District, may be executed by the District without further action provided that (i) the principal amount of the Bonds issued does not exceed \$10,000,000; (ii) the Bonds mature not later than the statutory permitted period; (iii) the interest rate on the Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the Bonds are subject to optional redemption which determination will be made on or before the sale date of the Bonds, the first optional call date and the redemption price shall be determined prior to the execution of the Bond Purchase Contract; and (v) the purchase price to be paid by the Underwriter for the Bonds is not less than 98% of the par amount of the Bonds issued (exclusive of any original issuance discount or premium).

Section 5. The Limited Offering Memorandum. The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (as herein defined and subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes the execution of the Limited Offering Memorandum and the District hereby authorizes the Limited Offering Memorandum, when in final form, to be used in connection with the limited offering and sale of the Bonds. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the Limited Offering of the Bonds (the “Preliminary Limited Offering Memorandum”). The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District, with final approval by the Chairperson. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the Bonds as shall be deemed advisable by Bond Counsel, Disclosure Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary

and appropriate with the advice of Bond Counsel, Disclosure Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. The District hereby authorizes the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) to deem “final” the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard.

Section 6. Details of the Bonds. The proceeds of the Bonds shall be applied in accordance with the provisions of the Indenture. Subject to the parameters set forth in Section 4 of the Resolution, the Bonds shall mature in the years and in the amounts, bear interest at such rates and be subject to redemption, all as provided in the Indenture. The execution of the Indenture shall constitute approval of such terms as set forth in the Indenture and this Resolution.

Section 7. Continuing Disclosure; Dissemination Agent. The Board does hereby authorize and approve the execution and delivery of a Continuing Disclosure Agreement by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) substantially in the form presented to this meeting and attached hereto as Exhibit C. The Continuing Disclosure Agreement is being executed by the District and the other parties thereto in order to assist the Underwriter in the marketing of the Bonds and compliance with Rule 15c2-12 of the Securities and Exchange Commission. Special District Services, Inc. is hereby appointed the initial dissemination agent.

The Indenture shall provide for the security of the Bonds and express the contract between the District and the owners of the Bonds. The Master Indenture shall be substantially in the form approved pursuant to the Initial Bond Resolution, with such changes therein as are necessary or desirable to reflect the terms of the sale of the Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same, with such execution to constitute conclusive evidence of such officer’s approval and the District’s approval of any changes therein from the form attached to the Initial Bond Resolution. The First Supplemental Indenture shall be substantially in the form attached hereto as Exhibit D and is hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same, with such execution to constitute conclusive evidence of such officer’s approval and the District’s approval of any changes therein from the form of the First Supplemental Indenture attached hereto as Exhibit D.

In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statement attached hereto as Exhibit A.

1. **Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its aggregate principal amount of §[PAR] Old Town Floridian Community Development District Special Assessment Bonds, Series 2025 (the “Bonds”). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$[] (representing the §[PAR].00 aggregate principal amount of the Bonds, less original issue discount/plus original issue premium of \$[] and less an underwriter’s discount of \$[]). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the “Closing”.

2. **The Bonds.** The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the “Act”), and by Ordinance No. 21-27 of the Board of County Commissioners of Miami-Dade County, Florida on April 20, 2021 and effective on April 30, 2021 (the “Ordinance”). The Bonds are being issued by the District pursuant to the Act and secured pursuant to the

provisions of a Master Trust Indenture dated as of March 1, 2025 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of March 1, 2025 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), and by Resolution No. 2021-22 and Resolution No. 2025-01 adopted by the Board on May 18, 2021 and February 19, 2025, respectively (collectively, the “Bond Resolution”). The 2025 Special Assessments, comprising the Series 2025 Pledged Revenues, have been levied by the District on the lands within Assessment Area One within the District specially benefited by the Capital Improvement Plan pursuant to Resolution Nos. 2021-03, 2021-24, and 2021-29 adopted by the Board on May 18, 2021, May 18, 2021, and July 21, 2021, respectively (collectively, the “Assessment Resolutions”).

3. **Limited Offering; Establishment of Issue Price.** It shall be a condition to the District’s obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) The District will treat the first price at which 10% of each maturity of the Series 2025 Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Bond Purchase Agreement, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Series 2025 Bonds. For purposes of this Section, if the Series 2025 Bonds mature on the same date but have different rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2025 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2025 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Series 2025 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until the 10% test has been satisfied as to the Series 2025 Bonds of that maturity or until all Series 2025 Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that:

(1) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2025 to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

a. to report the prices at which it sells to the public the unsold Series 2025 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2025 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2025 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter,

b. to promptly notify the Underwriter of any sales of the Series 2025 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2025 Bonds to the public (each such term being used as defined below), and

c. to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public; and

(2) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2025 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2025 Bonds as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2025 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2025 Bonds as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2025 Bonds

(d) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

4. **Use of Documents.** Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [PLOM DATE], 2025 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Preliminary Limited Offering Memorandum”) of the District related to the Bonds that the District has deemed final as of its date, except for certain permitted omissions (the “Permitted Omissions”), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (“Rule 15c2-12”) in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date and in sufficient time to allow the Underwriter to comply with all requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”), a final Limited Offering Memorandum dated the date hereof (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The District hereby ratifies the execution and use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements

by the other parties thereto) the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms; subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) Except as disclosed in the Preliminary Limited Offering Memorandum, the District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Bonds, the Financing Documents, the Ancillary Agreements and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default under the Bonds, the Ancillary Agreements or the Financing Documents;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2025

[BPA Date], 2025

Old Town Floridian Community Development District
Miami-Dade County, Florida

Re: \$[PAR] Old Town Floridian Community Development District Special Assessment
Bonds, Series 2025

Dear Ladies and Gentlemen:

Pursuant to Chapter 218.385, Florida Statutes, and with respect to the issuance of the Bonds, FMSbonds, Inc. (the “Underwriter”), pursuant to a Bond Purchase Contract dated [BPA Date], 2025 (the “Bond Purchase Contract”), between the Underwriter and Old Town Floridian Community Development District (the “District”), furnishes the following disclosures to the District in connection with the limited offering and sale of the Bonds:

1. The total underwriting discount paid to the Underwriter pursuant to the Bond Purchase Contract for the Bonds is approximately \$[] per \$1,000.00 or \$[].
2. The names, addresses and estimated amounts of compensation of any person who is not regularly employed by, or not a partner or officer of, the Underwriter, bank, banker, or financial consultant or advisor and who enters into an understanding with either the District or the Underwriter, or both, for any paid or promised compensation or valuable consideration directly, expressly or impliedly, to act solely as an intermediary between the District and the Underwriter for the purposes of influencing any transaction in the purchase of the Bonds are: None.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Bonds are set forth in Schedule I attached hereto.
4. The management fee charged by the Underwriter is: \$0/\$1,000 or \$0.
5. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Bonds to any person not regularly employed or retained by the Underwriter in connection with the Bonds is as follows: None. Aponte & Associates Law Firm, PLLC has been retained as counsel to the Underwriter to prepare the Bond Purchase Contract and will be compensated by the District.

Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Bonds:

The District is proposing to issue \$[PAR] aggregate amount of the Bonds for the purpose of providing funds to: (i) pay the costs of acquiring a portion of the Capital Improvement Plan (as

defined in the Limited Offering Memorandum), (ii) fund the Series 2025 Reserve Account in an amount equal to the Series 2025 Reserve Requirement; (iii) fund capitalized interest on the Series 2025 Bonds through at least November 1, 2025; and (iv) pay the costs of issuance of the Bonds.

This debt or obligation is expected to be repaid over a period of approximately [] years and [] months. At a true interest cost rate of []%, total interest paid over the life of the Bonds will be \$[].

The source of repayment for the Bonds are the 2025 Special Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Bonds will result in approximately \$[] (representing the average annual debt service payments due on the Bonds) of the District's special assessment revenues not being available to the District on an annual basis to finance other capital projects of the District; provided however, that in the event that the Bonds were not issued, the District would not be entitled to impose and collect the 2025 Special Assessments in the amount of the principal of and interest to be paid on the Bonds.

The Series 2025 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days’ notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, [] (less than all Series 2025 Bonds of a maturity to be selected randomly), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

FMSbonds, Inc.
North Miami Beach, Florida

We have served as bond counsel to our client Old Town Floridian Community Development District (the “District”) in connection with the issuance by the District of its \$[PAR] aggregate principal amount of Old Town Floridian Community Development District Special Assessment Bonds, Series 2025 (the “Bonds”), dated the date of this letter.

We have delivered on this date our opinion letter as bond counsel in connection with the original issuance of the Bonds (the “Bond Opinion”). This supplemental opinion letter is rendered pursuant to Section 7(c)(7) of the Bond Purchase Contract, dated [BPA Date], 2025 (the “Purchase Contract”), between the District and the Underwriter identified therein. Capitalized terms not otherwise defined in this letter are used as defined in the Purchase Contract.

The Underwriter may rely on the Bond Opinion as if addressed to it.

In accordance with the terms of our engagement as bond counsel, we reviewed the Limited Offering Memorandum dated [BPA Date], 2025 (the “Limited Offering Memorandum”) relating to the Bonds. We confirm to you that we believe the statements in the Limited Offering Memorandum, as of its date and as of this date, under the captions “DESCRIPTION OF THE SERIES 2025 BONDS” (other than the information relating to DTC and its book-entry system, as to which we express no view), and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” (other than the information under the subheading “Assessment Methodology/Projected Level of District Assessments”), insofar as such statements describe certain provisions of the Bonds and the Indenture, and the statements under the caption “TAX MATTERS,” are accurate and fairly present the information purported to be shown.

In our capacity as bond counsel, we have examined the transcript of proceedings relating to the issuance of the Bonds, the Purchase Contract, the Bond Resolution, the Indenture and such other documents, matters and law as we deem necessary to render the opinions set forth below.

Based on that examination and subject to the limitations stated below, we are of the opinion that under existing law, the Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended.

The legal opinion stated immediately above is based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely

upon: (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined and (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the District.

This letter is being furnished only to you for your use solely in connection with the transaction described herein and may not be relied upon by anyone else or for any other purpose without our prior written consent. The statements of belief and opinions expressed in this letter are stated only as of the time of its delivery and we disclaim any obligation to revise or supplement this letter thereafter. Our engagement as bond counsel in connection with the original issuance and delivery of the Bonds is concluded upon delivery of this letter.

Respectfully submitted,

OPINION OF DISTRICT COUNSEL

Old Town Floridian Community Development District
Miami-Dade County, Florida

FMSbonds, Inc.
North Miami Beach, Florida

U.S. Bank Trust Company, National Association, as Trustee
Fort Lauderdale, Florida

Re: \$[PAR] Old Town Floridian Community Development District Special Assessment
Bonds, Series 2025

Ladies and Gentlemen:

We have served as counsel to Old Town Floridian Community Development District (the “District”) in connection with the issuance of the above-referenced bonds (the “Bonds”).

Unless otherwise expressly defined herein, capitalized terms used herein shall have the respective meanings assigned to them in the Master Trust Indenture dated as of March 1, 2025, as supplemented by the First Supplemental Trust Indenture, dated as of March 1, 2025 (collectively, the “Indenture”) each between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and in the Bond Purchase Contract dated [BPA Date], 2025 (the “Purchase Contract”), between the District and FMSbonds, Inc., as Underwriter.

Based upon the foregoing and subject to the qualifications set forth below, we are of the opinion that:

1. The District has been established and validly exists as a community development district and independent local unit of special-purpose government under applicable Florida law. The Purchase Contract, the Indenture, the DTC Letter of Representations, the Continuing Disclosure Agreement, the Acquisition Agreement, the Completion Agreement, the Collateral Assignment, and the True-Up Agreement (collectively, the “Financing Documents”) and the Bonds have been duly authorized, executed and delivered, and assuming due execution by the other party(ies) thereto, if applicable, the Financing Documents, the Bonds, Resolution No. 2021-22 and Resolution No. 2025-01 duly adopted by the Board on May 18, 2021 and February 19, 2025, respectively (collectively, the “Bond Resolution”), and Resolution Nos. 2021-03, 2021-24, and 2021-29 adopted by the Board on May 18, 2021, May 18, 2021, and July 21, 2021, respectively (collectively, the “Assessment Resolution”), constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, except to the extent that the enforceability of the rights and remedies set forth therein may be limited by bankruptcy, insolvency, and similar laws affecting creditors’ rights generally and general principles of equity. The Bond Resolution and the Assessment Resolution are in full force and effect.

2. There is no litigation or other proceeding now pending of which the District or its registered agent has received notice or service of process, or to our best knowledge, threatened against the District: (a) contesting the existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (b) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memorandum or the collection of 2025 Special Assessments or the pledge of and lien on the Series 2025 Pledged Revenues pursuant to the Indenture; (c) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District relating to authorization for the issuance of the Bonds or the authorization of the Bond Resolution, the Assessment Resolution, the Financing Documents or the application of the proceeds of the Bonds for the purposes set forth in the Limited Offering Memorandum; (d) specifically contesting the federal or state tax status of the Bonds; or (e) contesting the completeness or accuracy of the Preliminary Limited Offering Memorandum (except for permitted omissions) or the Limited Offering Memorandum or any supplement or amendment thereto.

3. The District has duly authorized, executed, and delivered the Limited Offering Memorandum.

4. Based upon our limited participation in the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum (collectively, the “Limited Offering Memoranda”), as counsel to the District, the statements contained in the Limited Offering Memoranda as they relate to the District under the captions “LITIGATION – The District” and “VALIDATION,” are fair and accurate. The information set forth under the captions “INTRODUCTION,” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE DISTRICT” (except as to the statements contained under “The District Manager and Other Consultants”), “ASSESSMENT METHODOLOGY” (with respect to the second paragraph only), “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “CONTINUING DISCLOSURE,” “ENFORCEABILITY OF REMEDIES” and “AUTHORIZATION AND APPROVAL,” is a fair and accurate summary of the law relating to collection and enforcement of special assessments and the documents and facts summarized therein.

5. The District is not, in any manner material to the issuance of the Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state “Blue Sky” or other securities laws, as may be applicable.

6. The execution and delivery of the Bonds, the Financing Documents and the adoption of the Bond Resolution and the Assessment Resolution and compliance with the provisions on the District’s part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge,

under any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as expressly provided by the Bonds and the Indenture. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Bonds or the Financing Documents.

7. To the best of our knowledge after investigation, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Limited Offering Memoranda and contemplated by the Indenture required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, state “Blue Sky” laws or other securities laws.

8. The District has the right and authority under the Act and other state law to adopt the Bond Resolution and the Assessment Resolution, to issue the Bonds, to purchase the Capital Improvement Plan being financed with the proceeds of the Bonds and to levy the 2025 Special Assessments that will secure the Bonds, and has duly adopted the Bond Resolution and the Assessment Resolution. The District has or can acquire good and marketable title to the Capital Improvement Plan free of all liens and encumbrances except such as will not materially interfere with the proposed uses thereof.

9. All proceedings undertaken by the District with respect to the 2025 Special Assessments securing the Bonds, including adoption of the Assessment Resolution, were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the 2025 Special Assessments. The 2025 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such 2025 Special Assessments are assessed, co-equal with the lien of all state, city, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid, excluding federal tax liens.

10. The Bonds have been validated by a final judgment of the Eleventh Circuit Court in and for Miami-Dade County, Florida, of which no timely appeal was filed.

11. The District has the full power and authority to own and operate the Capital Improvement Plan, except for components thereof conveyed to the County, City, or other units of local government.

12. All conditions prescribed in the Indenture and the Purchase Contract to be performed by the District as precedent to the issuance of the Bonds have been fulfilled.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and

have not verified the accuracy or truthfulness thereof. Other than the signatures of District officers and members of the Board, we have also assumed the genuineness of the signatures appearing on such public records, certifications, documents and proceedings, including the Financing Documents. We have also assumed the due authorization, execution and delivery of each document by each of the other respective parties thereto.

Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

The opinions or statements expressed above are based solely on the laws of Florida and the United States of America, excluding matters of compliance with or applicability of tax laws, "Blue Sky" laws or other securities laws. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of any other state or jurisdiction.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

Very truly yours,

The Series 2025 Bonds, when issued, will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company ("DTC"). Purchases of beneficial interests in the Series 2025 Bonds will be made only in book-entry form. Disbursements of such payments to the Direct Participants (as hereinafter defined) is the responsibility of DTC and disbursements of such payments to the beneficial owners is the responsibility of the Direct Participants and the Indirect Participants (as hereinafter defined), as more fully described herein. Any purchaser of a beneficial interest in a Series 2025 Bond must maintain an account with a broker or dealer who is, or acts through, a Direct Participant to receive payment of the principal of and interest on such Series 2025 Bond. See "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System" herein.

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2021-22 and No. 2025-01 adopted by the Board of Supervisors of the District (the "Board") on May 18, 2021 and February 19, 2025, respectively, and a Master Trust Indenture dated as of March 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of March 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture.

Proceeds of the Series 2025 Bonds will be used to provide funds (i) for the payment of the Costs of acquiring and/or constructing all or a portion of the Capital Improvement Plan (as hereinafter defined); (ii) to fund the Series 2025 Reserve Account in an amount equal to the Series 2025 Reserve Requirement; (iii) to fund capitalized interest through at least November 1, 2025, and (iv) to pay the costs of issuance of the Series 2025 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

The Series 2025 Bonds are subject to optional, mandatory sinking fund and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions" herein.

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY OF FLORIDA CITY, FLORIDA (THE "CITY"), MIAMI-DADE COUNTY, FLORIDA (THE "COUNTY"), THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. The Series 2025 Bonds involve a degree of risk (see "BONDOWNERS' RISKS" herein) and are not suitable for all investors (see "SUITABILITY FOR INVESTMENT" herein). The Underwriter named below is limiting this offering to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. SPECIAL ASSESSMENT BONDS, SERIES 2025

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Old Town Floridian Community Development District (the “District” or “Issuer”) of its \$8,655,000* Special Assessment Bonds, Series 2025 (Capital Improvement Plan) (the “Series 2025 Bonds”).

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), approved by Resolution No. 20-55 of the City Commission of the City of Florida City, Florida adopted on September 22, 2020 and created by Ordinance No. 21-27 of the Board of County Commissioners of Miami-Dade County, Florida on April 20, 2021 and effective on April 30, 2021. The District was created for the purpose of financing the acquisition and construction of and managing the maintenance and operation of certain community development services and facilities for the benefit of District Lands (as defined in the herein defined Indenture), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 77.14+/- gross acres of land located entirely within the City of Florida City, Florida (the “City”) within Miami-Dade County, Florida (the “County”). The District Lands are being developed into a 446-unit residential community to be known as “Old Town Floridian,” which are herein referred to as the “Development.” The Development is planned to contain 446 residential units, consisting of 178 villas, 160 townhomes and 108 single-family homes.

The Series 2025 Bonds are payable from and secured solely by the Series 2025 Pledged Revenues which consist primarily of the 2025 Special Assessments (as hereinafter defined). The 2025 Special Assessments will be initially levied on approximately 77.14+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 446 lots within the Development occurs, the 2025 Special Assessments will be assigned to the platted lots in the Development on a first-

platted, first-assigned basis. A final plat for the 446 residential units within the Development is expected to be recorded in _____ 20___. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein.

Zamora Corporation, a Florida Corporation (the “Developer”), is the landowner and developer of the lands within the Development and is selling developed lots to D.R. Horton, Inc. a Delaware corporation (“Horton” or the “Builder”) who intends to market and construct homes for sale to homebuyers. As of _____, 2025, the Developer owns the land planned for all 446 lots within the Development. The first takedown by Horton is expected to occur in _____ 2025. See “THE DEVELOPER” and “THE DEVELOPMENT” herein for more information.

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2021-22 and No. 2025-01 adopted by the Board of Supervisors of the District (the “Board”) on May 18, 2021 and February 19, 2025, respectively, and a Master Trust Indenture dated as of March 1, 2025 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of March 1, 2025 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” herein.

Proceeds of the Series 2025 Bonds will be used to provide funds (i) for the payment of the Costs of acquiring and/or constructing all or a portion of the Capital Improvement Plan (as hereinafter defined); (ii) to fund the Series 2025 Reserve Account in an amount equal to the Series 2025 Reserve Requirement (as hereinafter defined); (iii) to fund capitalized interest through at least November 1, 2025; and (iv) to pay the costs of issuance of the Series 2025 Bonds. See “THE CAPITAL IMPROVEMENT PLAN” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. “Series 2025 Pledged Revenues” shall mean (a) all revenues received by the District from 2025 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such 2025 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Capital Improvement Plan, the Development, the Developer, a description of the terms of the Series 2025 Bonds and summaries of certain terms of the Indenture and certain provisions of the Act and other sections of Florida Statutes. The proposed forms of the Master Indenture and First Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

General Description

The Series 2025 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof. The Series 2025 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the inside cover page hereof.

The Series 2025 Bonds shall be dated as of the date of initial delivery. Interest on the Series 2025 Bonds will be computed in all cases on the basis of a 360-day year of twelve 30-day months. “Quarterly Redemption Date” means February 1, May 1, August 1, and November 1 of any year.

Upon initial issuance, the ownership of the Series 2025 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company (“DTC”), and purchases of beneficial interests in the Series 2025 Bonds will be made in book-entry only form. The Series 2025 Bonds will initially be sold only to “accredited investors” within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2025 Bonds. The Series 2025 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days’ notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2025 Bonds of a maturity to be selected randomly), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(i) from Series 2025 Prepayment Principal (including any credit from resulting excess in the Series 2025 Reserve Account as provided herein) deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of 2025 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2025 Rebate Fund and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) Upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the Capital Improvement Plan and which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall give or cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed by first class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to give any such notice or defect in the notice or in the giving notice thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly given in accordance with the Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2025 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory

requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District and the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE “STATE”), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. “Series 2025 Pledged Revenues” shall mean (a) all revenues received by the District from 2025 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such 2025 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein.

The “2025 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the District as a result of the District’s acquisition and/or construction of the Capital Improvement Plan. The 2025 Special Assessments correspond in amount to the debt service on the Series 2025 Bonds and are designated as such in the Assessment Methodology. The Assessment Methodology, which

describes the methodology for allocating the 2025 Special Assessments to the assessable lands within the District is included as APPENDIX D hereto. The 2025 Special Assessments were levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the lands receiving special benefit, including, but not limited to, homestead property, as permitted in Section 4, Article X of the Florida State Constitution. The 2025 Special Assessments will constitute a lien against the land as to which the 2025 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the 2025 Special Assessments are initially levied on approximately 77.14+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 446 lots within the Development occurs, the 2025 Special Assessments will be assigned to the platted lots in the Development on a first-platted, first-assigned basis. Assuming that all of the 446 planned residential units within the Development are developed and platted, then the 2025 Special Assessments will be allocated on the per unit basis set forth below and as set forth in the Assessment Methodology. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

Product Type	No. of Units	Annual 2025 Special Assessments Per Unit ^{(1)/(2)}	Series 2025 Bonds Par Debt Per Unit ⁽¹⁾
Villa	178	\$1,175.53	\$15,636.84
Townhome	160	1,469.15	19,542.52
Single-Family	<u>108</u>	1,910.64	25,415.18
Total	<u>446</u>		

⁽¹⁾ Preliminary, subject to change.

⁽²⁾ This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$_____ per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association which are currently estimated to be \$_____ per residential unit annually [Will there be an amenity fee? If so, how much annually per unit?], which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate in the District for 2024 was approximately 21.3477 mills, which millage rate is subject to change. These taxes would be payable in addition to the 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Miami-Dade County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

Pursuant to the First Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject

to the 2025 Special Assessments unless the 2025 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. “Substantially Absorbed” means the date at least 90% of the principal portion of the 2025 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The Trustee and the District may rely on a written certificate from the District Manager regarding the 2025 Special Assessments being Substantially Absorbed.

Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the 2025 Special Assessments, at any time upon the written consent of the Majority Holders.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the 2025 Special Assessments without the consent of the Owners of the Series 2025 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the 2025 Special Assessments, on the same lands upon which the 2025 Special Assessments are imposed, to fund the maintenance and operation of the District. See “THE DEVELOPMENT – Taxes, Fees and Assessments” and “BONDOWNERS’ RISKS” herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Capital Improvement Plan that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the Capital Improvement Plan or any part thereof. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” herein for more information.

Series 2025 Reserve Account

The Indenture establishes a Series 2025 Reserve Account within the Debt Service Reserve Fund for the Series 2025 Bonds. The Series 2025 Reserve Account will, at the time of delivery of the Series 2025 Bonds, be funded from a portion of the proceeds of the Series 2025 Bonds in an amount equal to the Series 2025 Reserve Requirement. “Series 2025 Reserve Requirement” or “Reserve Requirement” shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2025 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions, the Series 2025 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2025 Bonds. “Release Conditions” shall mean all of the following: (a) all of the principal portion of the Series 2025 Special Assessments has been assigned to residential units and each have received a certificate of occupancy; and (b) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the provisions of the First Supplemental Indenture. If a portion of the Series 2025 Bonds are redeemed pursuant to the provisions of the First Supplemental Indenture, the Reserve Requirement shall be reduced in accordance with the provisions of the First Supplemental Indenture. Any amount in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds, be used to pay principal of and interest on the Series 2025 Bonds at that time. The initial Series 2025 Reserve Requirement shall be equal to \$_____.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings to the Series 2025 Acquisition and Construction Account prior to the Completion Date and after the Completion Date to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the 2025 Special Assessments (as a result of non-payment of the 2025 Special Assessments) and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account as described below to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition that has been submitted to Trustee, all or a portion of which remains unfunded for the payment of Costs of the 2025 Project as further provided in the First Supplemental Indenture and applied for the purposes provided therein. Such payment is authorized notwithstanding that the Completion Date might have been declared provided there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to ten percent (10%) upon satisfactions of the Release Conditions of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve

Account as a result of satisfaction of the Release Conditions shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the First Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Series 2025 Acquisition and Construction Account

Pursuant to the Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the “Series 2025 Acquisition and Construction Account.” Proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in the Indenture, together with any moneys transferred to the Series 2025 Acquisition and Construction Account, and such moneys in such Account shall be applied as set forth in the Indenture.

Any moneys remaining in the Series 2025 Acquisition and Construction Account on the Completion Date after retaining an amount required to pay all remaining costs of the Capital Improvement Plan, as evidenced in writing from the District or from the District Manager, on behalf of the District to the Trustee, shall be transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account. See “Appendix A – PROPOSED FORMS OF INDENTURE” herein for more information.

Deposit and Application of the Series 2025 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount from the Series 2025 Revenue Account equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amount on deposit in the Series 2025 Interest Account or the Series 2025 Capitalized Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount from the Series 2025 Revenue Account equal to the interest on the Series 2025 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2025 Capitalized Interest Account, then the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount from the Series 2025 Revenue Account equal to the principal amount of Series 2025 Bonds subject to sinking

fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the May 1, which is the principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount from the Series 2025 Revenue Account equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount from the Series 2025 Revenue Account equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds;

SIXTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Tax Compliance Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding that the Issuer has funded the Series 2025 Capitalized Interest Account to pay interest on the Series 2025 Bonds through at least November 1, 2025, moneys on deposit in the Series 2025 Capitalized Interest Account, including all investment earnings thereon, shall remain on deposit in such Account and be used by the Trustee to pay interest on the Series 2025 Bonds on any subsequent Interest Payment Date if moneys remain after November 1, 2025. When such Account has been depleted of all funds, the Trustee shall be authorized to close such Account.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Accounts in the Debt Service Fund and the Accounts in the Bond Redemption Fund related to the Series 2025 Bonds only in Government Obligations and certain types of securities listed within the definition of Investment Securities. The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2025 Debt Service Reserve Account in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to

the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2025 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale. The Trustee may make any permitted investments through its own bond department or investment department. The Trustee shall value the assets in each of the Funds and Accounts forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date) and shall provide the District a report of the status of each Fund and Account as of the valuation date. See “APPENDIX A – PROPOSED FORMS OF INDENTURE” hereto.

Covenant to Levy the 2025 Special Assessments

The District has covenanted to levy the 2025 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2025 Bonds when due. If any 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such 2025 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new 2025 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case such second 2025 Special Assessment shall be annulled, the District shall obtain and make other 2025 Special Assessments until a valid 2025 Special Assessment shall be made.

Prepayment of 2025 Special Assessments

Pursuant to the Indenture, at any time any owner of property subject to the 2025 Special Assessments may, at its option, or as a result of acceleration of the 2025 Special Assessments because of non-payment thereof, or by operation of law, shall require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the 2025 Special Assessments by paying or causing there to be paid, to the District all or a portion of the 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Interest Payment Date (or the first succeeding Interest Payment Date if such Prepayment is made within 45 calendar days before an Interest Payment Date), attributable to the property subject to 2025 Special Assessment owned by such owner.

Pursuant to the Act, an owner of property subject to the levy of 2025 Special Assessments may pay the entire balance of the 2025 Special Assessments remaining due, without interest, within thirty (30) days after the Capital Improvement Plan has been completed or acquired by the District, and the Board has adopted a resolution accepting the Capital Improvement Plan pursuant to Chapter 170.09, Florida Statutes. The Developer, as the owner of property within the Development, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2025 Bonds pursuant to a “Declaration of Consent to Jurisdiction of Old Town Floridian Community Development District and to Imposition of Special Assessments”.

Any prepayment of 2025 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2025 Bonds as indicated under “DESCRIPTION OF THE SERIES

2025 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of 2025 Special Assessments does not entitle the owner of the property to a discount for early payment.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other Obligated Person (as defined under the Continuing Disclosure Agreement) (hereinafter referred to under this heading as the “Landowner”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Series 2025 Bonds remain Outstanding, in any Proceeding involving the District or any Landowner, the District shall be obligated to act in accordance with direction from the Trustee and the Trustee shall be obligated to act in accordance with the direction from the Beneficial Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds with regard to all matters directly or indirectly affecting the Series 2025 Bonds.

In the Indenture, the District acknowledges and agrees that, although the Series 2025 Bonds will be issued by the District, the Beneficial Owners of such Series 2025 Bonds are categorically the party with a financial stake in the repayment of the Series 2025 Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the District agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Holders of the Series 2025 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the 2025 Special Assessments relating to the Series 2025 Bonds Outstanding, the Outstanding Series 2025 Bonds or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Holders of the Series 2025 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent); (b) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the 2025 Special Assessments, the Series 2025 Bonds or any rights of the Trustee or Bondholders under the Master Indenture or First Supplemental Trust Indenture that is inconsistent with any direction from the Trustee; (c) the District agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Holders of the Series 2025 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent); (d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the 2025 Special Assessments relating to the Series 2025 Bonds would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the 2025 Special Assessments relating to the Series 2025 Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Landowner’s exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; (e) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith

or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the Issuer's claim with respect to the 2025 Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the 2025 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing hereinabove shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the 2025 Special Assessments relating to the Series 2025 Bonds Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee as described in the preceding paragraphs, unless such has a negative effect on the District's operation and maintenance claim.

Further, notwithstanding anything hereinabove to the contrary, the Trustee shall only act in connection with a Proceeding upon timely written direction of the Majority Holders, upon which the Trustee may conclusively rely, together with indemnity satisfactory to the Trustee sufficient to cover any fees, costs and expenses (including attorney's fees, costs and expenses) of the Trustee or that may be incurred by the Trustee in connections with such Proceeding. The Trustee shall have no liability for any failure to act with respect to any Proceeding if it does not receive such written direction and indemnity in a sufficiently timely manner in order for the Trustee to meet any deadline, applicable to such Proceeding and the Trustee shall be entitled to all of the rights and protections granted to it under Article XI of the Master Indenture regardless of whether there exists an Event of Default. The District shall notify a Responsible Officer of the Trustee in writing (the "Bankruptcy Notice") immediately upon obtaining knowledge of any Proceeding. In addition to giving notice of the Proceeding in reasonable detail, the Bankruptcy Notice shall also specifically reference Section 9.34(c) of the Master Indenture. In the event that the Trustee receives any moneys as the result of a Proceeding, the Trustee shall first reimburse any of its outstanding fees and/or the fees, costs and expenses incurred in connection with the Proceedings (including attorney's fees, costs and expenses) prior to otherwise distributing such moneys.

Events of Default and Remedies

Events of Default Defined. The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2025 Bonds:

- (a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2025 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than a majority in aggregate principal amount of the Outstanding Series 2025 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days after the date when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (e) above has occurred.

No Acceleration; Redemption. No Series 2025 Bonds shall be subject to acceleration. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2025 Bonds agree to such redemption.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2025 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2025 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2025 Bonds shall be applied in the following order of priority:

(a) to the payment of the fees, costs and expenses of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2025 Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Series 2025 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2025 Bonds which shall have become due in the order of their due dates, with interest on such Series 2025 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2025 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2025 Bond over another Bond or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the 2025 Special Assessments imposed on the assessable lands within the District specially benefited by the Capital Improvement Plan pursuant to

the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D – ASSESSMENT METHODOLOGY.”

The determination, order, levy, and collection of 2025 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Miami-Dade County Tax Collector (the “Tax Collector”) or the Miami-Dade County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, 2025 Special Assessments during any year. Such delays in the collection of 2025 Special Assessments, or complete inability to collect any of the 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2025 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds. The Act provides for various methods of collection of delinquent 2025 Special Assessments by reference to other provisions of the Florida Statutes. See “BONDOWNERS’ RISKS” herein. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

Alternative Uniform Tax Collection Procedure for 2025 Special Assessments

The District has agreed in the Indenture to collect the 2025 Special Assessments through the Uniform Method (as herein defined) with respect to platted lots. Pursuant to the Indenture, the District shall, pursuant to the provisions of the Assessment Resolutions, directly collect the 2025 Special Assessments in lieu of the Uniform Method with respect to any assessable lands which are still owned by the Developer or an entity affiliated with the Developer until such time lots are platted, unless the District is directed otherwise by the holders of the majority of Bonds Outstanding or where the timing for using the Uniform Method will not yet allow for using such method. At such time as the 2025 Special Assessments are collected pursuant to the Uniform Method, the provisions under this heading shall become applicable.

The Florida Statutes provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method of collection (the “Uniform Method”). The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the 2025 Special Assessments to be levied and then collected in this manner. The District’s election to use a certain collection method with respect to the 2025 Special Assessments does not preclude it from electing to use another collection method in the future. See “Foreclosure” below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method is utilized, the 2025 Special Assessments will be collected together with City, County, school board, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the 2025 Special Assessments, if any, being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the 2025 Special Assessments.

All City, County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the 2025 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds.

Under the Uniform Method, if the 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the 2025 Special Assessments, (2) that future landowners and taxpayers in the District will pay such 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the 2025 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. During the pendency of any litigation arising from the contest of a landowner's tax assessment collected through the Uniform Method, which may possibly include non-ad valorem special assessments such as the 2025 Special Assessments, it is possible that the tax collector will not sell tax certificates with respect to such property. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the 2025 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of

the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, charges and omitted taxes due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

Foreclosure

The following discussion regarding foreclosure is not applicable if the 2025 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District, itself, directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the 2025 Special Assessments levied on the land within the District, Section 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including a 2025 Special Assessment, or the interest thereon, when due, all of the 2025 Special Assessments shall be accelerated and the governing body of the entity levying the assessment, including the 2025 Special Assessments, is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such proceedings would be in rem, meaning that each would be brought against the land not against the owner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay 2025 Special Assessments and the ability to foreclose the lien of such 2025 Special Assessments upon the failure to pay such 2025 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby and are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

1. As of the date hereof, the Developer owns all of the lands within the Development, which are the lands that will be subject to the 2025 Special Assessments securing the Series 2025 Bonds. See

“SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein. Payment of the 2025 Special Assessments is primarily dependent upon their timely payment by the Developer and subsequent landowners in the District. See “THE DEVELOPER” herein. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner being able to pay the 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the 2025 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer or an entity affiliated with the Developer until such time lots are platted unless the majority of the owners of the Bonds Outstanding direct the District to use the Uniform Method or where the timing for using the Uniform Method will not yet allow for using such method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay 2025 Special Assessments and the ability of the District to foreclose the lien of the 2025 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

2. The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the 2025 Special Assessments. The 2025 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the 2025 Special Assessments or that they will pay such 2025 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent 2025 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the Capital Improvement Plan is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the Capital Improvement Plan is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2025 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent 2025 Special Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

3. The development of the Capital Improvement Plan is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land

use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See “THE DEVELOPMENT – Development Approvals,” and “– Environmental” herein for more information. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

4. The successful sale of the residential units, once such homes are built within the Development may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer.

5. Neither the Developer nor any other subsequent landowner in the District has any obligation to pay the 2025 Special Assessments. As described herein, the 2025 Special Assessments are an imposition against the land only. Neither the Developer nor any other subsequent landowner is a guarantor of payment of any 2025 Special Assessment and the recourse for the failure of the Developer or any other landowner to pay the 2025 Special Assessments is limited to the collection proceedings against the land as described herein.

6. The willingness and/or ability of an owner of benefited land to pay the 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the 2025 Special Assessments. In addition, lands within the District may also be subject to assessments by property and home owner associations.

7. The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2025 Bonds. The Series 2025 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

8. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent 2025 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the 2025 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein. If the District has difficulty in collecting the 2025 Special Assessments, the Series 2025 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve

Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account.

9. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2025 Bonds. Although the District does not reasonably believe that any such hazardous environmental conditions currently exist the District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. The Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District lands.

10. The value of the lands subject to the 2025 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support future development. Changing weather patterns have increased the likelihood of flooding within the County. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured and the District’s casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

11. If the District should commence a foreclosure action against a landowner for nonpayment of 2025 Special Assessments and if the 2025 Special Assessments are not being collected pursuant to the Uniform Method, such landowners, and any other lien holders, including mortgagees under recorded mortgage instruments, may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2025 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2025 Bond proceeds that can be used for such purpose. See “THE DEVELOPMENT – Land Acquisition and Finance Plan” herein.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not

be sold with respect to the 2025 Special Assessment even though the landowner is not contesting the amount of such 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes by April 1, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this paragraph, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinite responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety. On October 20, 2017, a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all members of the Board of the District were elected by the Developer and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

14. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"), relating to securities issued by political subdivisions. In that event the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

15. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. See also “TAX MATTERS.”

16. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Capital Improvement Plan, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the Capital Improvement Plan. Further, pursuant to the First Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject to the 2025 Special Assessments unless the 2025 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the 2025 Special Assessments, at any time upon the written consent of the Majority Holders. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Obligations” for more information. The Developer will enter into a completion agreement with the District with respect to any unfinished portions of the Capital Improvement Plan not funded with the proceeds of the Series 2025 Bonds. In addition, the Developer will also execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the “Collateral Assignment”), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, all of its development rights relating to the Capital Improvement Plan and the Development as security for Developer’s payment and performance and discharge of its obligation to pay the 2025 Special Assessments. See “THE CAPITAL IMPROVEMENT PLAN” and “THE DEVELOPMENT” herein for more information. See “THE CAPITAL IMPROVEMENT PLAN” and “THE DEVELOPMENT” herein for more information.

17. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not

limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

18. In the event a bank forecloses on property within the District because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the 2025 Special Assessments levied on such property. In addition, the District require the consent of the FDIC prior to commencing a foreclosure action.

19. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

20. The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the DRP Landowner, the timely and successful completion of the Development and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also “BONDOWNERS’ RISKS – No. 4” and “–No. 16” herein.

21. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the 2025 Special Assessments by owners of the property within the Development. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2025 Bonds. See “DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of 2025 Special Assessments” herein for more information.

THE DISTRICT

General Information

The District was established under the provisions of the Act, approved by Resolution No. 20-55 of the City Commission of the City of Florida City, Florida adopted on September 22, 2020 and created by Ordinance No. 21-27 of the Board of County Commissioners of Miami-Dade County, Florida on April 20, 2021 and effective on April 30, 2021. The boundaries of the District include approximately 77.14+/- gross acres of land (the “District Lands”) located entirely within the City within the County.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of the District to pursue any remedy for enforcement of any lien or pledge of the Series 2025 Pledge Revenues in connection with the Series 2025 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the “Board”), which is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five

Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Ani Mayoral*	Chairperson	November, 2025
Rosa Zamora*	Vice-Chairperson	November, 2025
Carlos Tosca*	Assistant Secretary	November, 2027
Mario Hernandez*	Assistant Secretary	November, 2027
Jose Gonzalez*	Assistant Secretary	November, 2025

* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida’s open meeting or “Sunshine” law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The information appearing below under the captions “THE DEVELOPMENT” and “THE DEVELOPER” has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, Disclosure Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2025 Bonds or the 2025 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 77.14+/- gross acres located entirely within the City of Florida City, Florida (the “City”) within Miami-Dade County, Florida (the “County”) and are being developed into a 446-unit residential community to be known as “[Old Town Floridian]” referred to hereinafter as the “Development.” The Development is bounded on the north by SW 332nd Street, on the east by 187th Avenue/Redland Road, on the west by SW 192nd Avenue/Tower Road, and on the south by SW 336th Street/Arthur Vining Davis Parkway. The Development is generally located approximately 1.5 miles west of the Florida Turnpike. Downtown Miami, Florida is located approximately 35 miles to the northeast of the Development. Set forth below is a map which depicts the approximate location of the Development.

The Development is planned to contain 446 residential units, consisting of 178 villas, 160 townhomes and 108 single-family homes. The Series 2025 Bonds will be secured by the 2025 Special Assessments which are initially levied on approximately 77.14+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 446 lots within the Development occurs, the 2025 Special Assessments will be assigned to the platted lots in the Development on a first-

platted, first-assigned basis. A final plat for the 446 residential units within the Development is expected to be recorded in _____ 20___. See “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto and “– Taxes, Fees and Assessments” herein for more information.

As of _____, 2025, the Developer owns the land planned for all 446 lots within the Development. The first takedown by Horton is expected to occur in _____ 2025. See “THE DEVELOPER” herein for more information.

The Developer estimates that the total land development costs associated with the Development was approximately \$___ million, consisting of the costs of the Capital Improvement Plan and other hard and soft costs. As of _____, 2025, the Developer has spent approximately \$___ million toward land development costs associated with the Development, a portion of which includes the Capital Improvement Plan. The net proceeds of the Series 2025 Bonds will be approximately \$7.3 million* and such proceeds will be used by the District towards the acquisition of a portion of the Capital Improvement Plan. Since land development associated with the Development is substantially complete, the Developer will not be entering into a completion agreement. See “BONDOWNERS’ RISKS – No. 16” herein.

Development Plan / Status

Land development associated with the Development is underway and expected to be completed by _____ 20___. [Mass grading and clearing of the Development is complete.][Confirm] A final plat for the 446 residential units within the Development is expected to be recorded in _____ 20__.

As of _____, 2025, the Developer owns the land planned for all 446 lots within the Development. The first takedown by Horton is expected to occur in _____ 2025. The Developer expected Horton to construct ___ model villas, ___ model townhomes and ___ model single-family homes, which are estimated to be completed by _____ 20__.

estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Builder Contract [Please provide builder contract with Horton]

The Developer has entered into a [Purchase and Sale Agreement] dated _____ 20__, as may be amended (the “Purchase and Sale Agreement”), with Horton for the sale of 446 developed lots planned for the Development, for a purchase price of approximately \$_____ per villa, \$_____ per townhome lot and \$_____ per single-family lot, plus an additional consideration of [6]% per annum per lot, which additional consideration begins to accrue on any lots remaining after the first takedown described below until the closing of such lots. In connection therewith, Horton has made an earnest money deposit of \$_____ in exchange for a first lien mortgage and security agreement on the 446 lots within the Development, which has been released to the Developer. Pursuant to the Purchase and Sale Agreement, Horton will acquire the homebuilding development rights for the 446 residential units within the Development. Lots will be purchased in [three] takedowns, the first takedown for ___+/- lots, the second takedown for ___+/- lots, and the third takedown for ___+/- lots, with the first takedown expected to occur in _____ 2025 and each subsequent takedown expected to occur [3] months after the prior takedown. Horton’s obligation to close on lots under the Purchase and Sale Agreement is conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the Purchase and Sale Agreement, there is a risk that Horton will not close on lots within the Development.

D.R. Horton, Inc., a Delaware corporation (“Horton” or the “Builder”) is the homebuilder of the residential units within the Development. Horton’s common stock trades on the New York Stock Exchange under the ticker symbol DHI. Such filings, particularly Horton’s annual and quarterly reports filed on Form 10-K and Form 10-Q, set forth certain data relative to the consolidated results of operations and financial position of Horton and its subsidiaries as of such date. The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Horton. The address of such Internet web site is www.sec.gov. All documents subsequently filed by Horton pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in such manner as the SEC prescribes.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the 2025 Special Assessments are initially levied on approximately 77.14+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 446 lots within the Development occurs, the 2025 Special Assessments will be assigned to the platted lots in the Development on a first-platted, first-assigned basis. Assuming that all of the 446 planned residential units within the Development are developed and platted, then the 2025 Special Assessments will be allocated on the per unit basis set forth below and as set forth in the Assessment Methodology. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

In addition, residents will be required to pay homeowners association which are currently estimated to be \$_____ per residential unit annually [Will there be an amenity fee? If so, how much annually per unit?], which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate in the District for 2024 was approximately 21.3477 mills, which millage rate is subject to change. These taxes would be payable in addition to the 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Miami-Dade County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

[Please provide a bio for the Developer and brief summary of chief officers]

Neither the Developer nor any of the other entities listed above are guaranteeing payment of the Series 2025 Bonds or the 2025 Special Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2025 Bonds.

ASSESSMENT METHODOLOGY

General

The Master Assessment Methodology Report dated May 18, 2021 (the “Master Assessment Methodology”) and the First Supplemental Special Assessment Methodology Report to be dated the sale date of the Series 2025 Bonds (the “Supplemental Methodology” and collectively with the Master

Assessment Methodology, the “Assessment Methodology”) describes the methodology for allocation of the 2025 Special Assessments to lands within the Development, and has been prepared by Special District Services, Inc., Palm Beach Gardens, Florida (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2025 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the 2025 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Projected Level of District Assessments

As set forth in the Assessment Methodology, the 2025 Special Assessments are initially levied on approximately 77.14+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 446 lots within the Development occurs, the 2025 Special Assessments will be assigned to the platted lots in the Development on a first-platted, first-assigned basis. Assuming that all of the 446 planned residential units within the Development are developed and platted, then the 2025 Special Assessments will be allocated on the per unit basis set forth below and as set forth in the Assessment Methodology. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

⁽²⁾ This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$_____ per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association which are currently estimated to be \$_____ per residential unit annually [Will there be an amenity fee? It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

True-Up Mechanism

The Assessment Methodology sets forth a “true-up mechanism” which provides that the debt per unit remaining on the unplatted land is never allowed to increase above its maximum debt per unit level. If the debt per unit remaining on unplatted land increases above the maximum debt per unit level, a debt

reduction payment would be made by the Developer so that the maximum debt per unit level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2025 Bonds. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism”.

TAX MATTERS

General

In the opinion of Squire Patton Boggs (US) LLP, Bond Counsel, under existing law: (i) interest on the Series 2025 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; and (ii) the Series 2025 Bonds and the income thereon are exempt from taxation under the laws of the State of Florida, except estate taxes imposed by Chapter 198, Florida Statutes, as amended, and net income and franchise taxes imposed by Chapter 220, Florida Statutes, as amended. Bond Counsel expresses no opinion as to any other tax consequences regarding the Series 2025 Bonds.

The opinion on federal tax matters will be based on and will assume the accuracy of certain representations and certifications, and continuing compliance with certain covenants, of the District contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2025 Bonds are and will remain obligations the interest on which is excluded from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of the District’s representations and certifications or the continuing compliance with the District’s covenants.

The opinion of Bond Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Bond Counsel’s legal judgment as to exclusion of interest on the Series 2025 Bonds from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service (the “IRS”) or any court. Bond Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and the enforcement of the Code or those regulations by the IRS.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excluded from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations. Noncompliance with these requirements by the District may cause loss of such status and result in the interest on the Series 2025 Bonds being included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2025 Bonds. The District has covenanted to take the actions required of it for the interest on the Series 2025 Bonds to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. After the date of issuance of the Series 2025 Bonds, Bond Counsel will not undertake to determine (or to so inform any person) whether any actions taken or not taken, or any events occurring or not occurring, or any other matters coming to Bond Counsel’s attention, may adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series 2025 Bonds or the market value of the Series 2025 Bonds.

Interest on the Series 2025 Bonds may be subject: (1) to a federal branch profits tax imposed on certain foreign corporations doing business in the United States; (2) to a federal tax imposed on excess net passive income of certain S corporations; and (3) to the alternative minimum tax imposed under Section 55(b) of the Code on “applicable corporations” (within the meaning of Section 59(k) of the Code). Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain

adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the owner of the Series 2025 Bonds. Bond Counsel will express no opinion regarding those consequences.

Payments of interest on tax-exempt obligations, including the Series 2025 Bonds, are generally subject to IRS Form 1099-INT information reporting requirements. If a Series 2025 Bond owner is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

Bond Counsel's engagement with respect to the Series 2025 Bonds ends with the issuance of the Series 2025 Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the District or the owners of the Series 2025 Bonds regarding the tax status of interest thereon in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the Series 2025 Bonds, under current IRS procedures, the IRS will treat the District as the taxpayer and the beneficial owners of the Series 2025 Bonds will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including but not limited to selection of the Series 2025 Bonds for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the Series 2025 Bonds.

Prospective purchasers of the Series 2025 Bonds upon their original issuance at prices other than the respective prices indicated on the inside cover of this Limited Offering Memorandum, and prospective purchasers of the Series 2025 Bonds at other than their original issuance, should consult their own tax advisors regarding other tax considerations such as the consequences of market discount, as to all of which Bond Counsel expresses no opinion.

Risk of Future Legislative Changes and/or Court Decisions

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the State legislature. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Series 2025 Bonds. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of issuance of the Series 2025 Bonds will not have an adverse effect on the tax status of interest or other income on the Series 2025 Bonds or the market value or marketability of the Series 2025 Bonds. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of interest on the Series 2025 Bonds from gross income for federal or state income tax purposes for all or certain taxpayers.

For example, federal tax legislation that was enacted on December 22, 2017 reduced corporate tax rates, modified individual tax rates, eliminated many deductions, repealed the corporate alternative minimum tax that was in effect at that time, and eliminated the tax-exempt advance refunding of tax-exempt bonds and tax-advantaged bonds, among other things. Additionally, investors in the Series 2025 Bonds should be aware that future legislative actions might increase, reduce or otherwise change (including retroactively) the financial benefits and the treatment of all or a portion of the interest on the Series 2025 Bonds for federal income tax purposes for all or certain taxpayers. In all such events, the market value of

the Series 2025 Bonds may be affected and the ability of holders to sell their Series 2025 Bonds in the secondary market may be reduced.

Investors should consult their own financial and tax advisors to analyze the importance of these risks.

Original Issue Discount and Original Issue Premium

Certain of the Series 2025 Bonds (“Discount Bonds”) may be offered and sold to the public at an original issue discount (“OID”). OID is the excess of the stated redemption price at maturity (the principal amount) over the “issue price” of a Discount Bond. The issue price of a Discount Bond is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of the Discount Bonds of the same maturity is sold pursuant to that offering. For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excluded from the owner’s gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2025 Bonds, and (ii) is added to the owner’s tax basis for purposes of determining gain or loss on the maturity, redemption, sale or other disposition of that Discount Bond. A purchaser of a Discount Bond in the initial public offering at the issue price (described above) for that Discount Bond who holds that Discount Bond to maturity will realize no gain or loss upon the retirement of that Discount Bond.

Certain of the Series 2025 Bonds (“Premium Bonds”) may be offered and sold to the public at a price in excess of their stated redemption price at maturity (the principal amount). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually. No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner’s gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner’s tax basis in the Premium Bond is reduced by the amount of bond premium that is amortized during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond. A purchaser of a Premium Bond in the initial public offering who holds that Premium Bond to maturity (or, in the case of a callable Premium Bond, to its earlier call date that results in the lowest yield on that Premium Bond) will realize no gain or loss upon the retirement of that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the existence of OID or bond premium, the determination for federal income tax purposes of the amount of OID or bond premium properly accruable or amortizable in any period with respect to the Discount or Premium Bonds, other federal tax consequences in respect of OID and bond premium, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct,

reconstruct, improve, maintain, operate or furnish the Capital Improvement Plan subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2025 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2025 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2025 Bonds does not purchase at least \$100,000 of the Series 2025 Bonds at the time of initial delivery of the Series 2025 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the 2015 Bonds the investor letter in the form attached to the Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2025 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings

of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer will represent that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Capital Improvement Plan or the development of the District Lands, as described herein, materially and adversely affect the ability of the Developer to pay the 2025 Special Assessments imposed against the land within the Development owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, Disclosure Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2025 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2025 Bonds.

NO RATING

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Alvarez Engineers, Inc., Doral, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Special District Services, Inc., Palm Beach Gardens, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2025 Bonds, both the District Engineer and the Methodology Consultant have consented to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto, to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E. The audited financial statements of the District for the Fiscal Year ended September 30, 2023 are included herewith as "APPENDIX F: DISTRICT'S FINANCIAL STATEMENTS." The consent of the District's auditor for the use of the financial statements herein has not been sought as the District's financial statements are publicly available documents.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, Florida Statutes, as amended. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place and is presently in compliance with the statutory guidelines required by Section 189.069, Florida Statutes, as amended.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developer will enter into Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed time period. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into any continuing disclosure obligation in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"). The District has appointed the District Manager to serve as the Dissemination Agent for the Series 2025 Bonds.

Also, pursuant to the Disclosure Agreement, the Developer has covenanted to provide certain financial information and operating data relating to the Development and the Developer on a quarterly basis, upon the written request of the Dissemination Agent. See "APPENDIX E – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." The Developer has not previously entered into any continuing disclosure obligation in connection with the Rule.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2025 Bonds from the District at a purchase price of \$_____ (representing the par amount of the Series 2025 Bonds, [plus/less original issue premium/discount] and less an Underwriter's discount of \$_____). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2025 Bonds if any are purchased.

The Underwriter intends to offer the Series 2025 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2025 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices set forth on the cover page of this Limited Offering Memorandum, and such initial offering prices may be changed from time to time by the Underwriter.

VALIDATION

The Series 2025 Bonds to be issued pursuant to the Indenture were validated by final judgment of the Circuit Court of the Eleventh Judicial Circuit of Florida in and for the County, rendered August 12, 2021. The period of time during which an appeal can be taken from such judgment expired on September 11, 2021, with no appeals being filed.

LEGAL MATTERS

Certain legal matters incident to the issuance of the Series 2025 Bonds and with respect to the tax-exempt status of the interest on the Series 2025 Bonds (see "TAX MATTERS" herein) are subject to the legal opinion of Squire Patton Boggs (US) LLP, Bond Counsel, whose opinion will be delivered at the time of issuance of the Series 2025 Bonds. Certain legal matters will be passed upon for the District by its counsel, Billing, Cochran, Lyles, Mauro & Ramsey, P.A., Fort Lauderdale, Florida, and by Squire Patton Boggs (US) LLP, as Disclosure Counsel, for the Developer by its counsel, _____, _____, Florida. Aponte & Associates Law Firm, PLLC, Orlando, Florida is serving as counsel to the Underwriter.

The proposed text of the legal opinion of Bond Counsel is set forth as APPENDIX B to this Limited Offering Memorandum. The actual legal opinion to be delivered may vary from the text of APPENDIX B, if necessary, to reflect facts and law on the date of delivery of the Series 2025 Bonds.

While Squire Patton Boggs (US) LLP, in its capacity as Bond Counsel has participated in the preparation of certain portions of this Limited Offering Memorandum, Bond Counsel has not been engaged by the District to confirm or verify, and except as may be set forth in the opinion of Bond Counsel delivered to the Underwriter, expresses and will express no opinion as to the accuracy, completeness or fairness of any statements in this Limited Offering Memorandum, or in any other reports, financial information offering or disclosure documents or other information pertaining to the District or the Series 2025 Bonds that may be prepared or made available by the District, the Underwriter or others to the Owners of the Series 2025 Bonds or other parties.

The legal opinions of Bond Counsel, Disclosure Counsel, counsel to the District, Underwriter's counsel, and Developer's counsel are based on existing law, which is subject to change. Such legal opinions are further based on factual representations made to Bond Counsel, Disclosure Counsel, the counsel to the District, Underwriter's counsel, and Developer's counsel as of the date thereof. Bond Counsel, Disclosure Counsel, counsel to the District, Underwriter's counsel, and Developer's counsel assume no duty to update or supplement their respective opinions to reflect any facts or circumstances, including changes in law, that may thereafter occur or become effective.

The legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds express the professional judgment of the attorneys rendering the opinions regarding the legal issues expressly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of the result indicated by that expression of professional judgment, of the transaction on which the opinion is rendered, or of the future performance of parties to the transaction, nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

MISCELLANEOUS

Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

The references herein to the Series 2025 Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

This Limited Offering Memorandum is submitted in connection with the limited offering of the Series 2025 Bonds and may not be reproduced or used, as a whole or in part, for any purpose. This Limited Offering Memorandum is not to be construed as a contract with the purchaser or the Beneficial Owners of any of the Series 2025 Bonds.

The Issuer is hereby authorized to issue in one or more Series pursuant to the terms and conditions of this Master Indenture, its obligations to be known as “Old Town Floridian Community Development District Special Assessment Bonds, Series [to be designated]” (the “Bonds”). The total principal amount of Bonds that may be issued and Outstanding under this Master Indenture shall not be limited, but shall be subject to any conditions set forth in a Supplemental Indenture and Florida law. The Bonds shall be issued in Authorized Denominations and within each Series shall be numbered consecutively from R-1 and upwards in each Series and in substantially the form attached hereto as Exhibit C, with such appropriate variations, omissions and insertions as are permitted or required by this Master Indenture or as otherwise provided in a Supplemental Indenture. All Bonds shall be issued only upon satisfaction of the conditions set forth in Article III hereof; and the Trustee shall, at the Issuer’s request, authenticate such Bonds and deliver them as specified in such request. If the Issuer should change its name, no amendment shall be required to be made to this Master Indenture, any Supplemental Indenture or Bonds issued thereunder.

Each Bond shall be dated, shall have such Interest Payment Dates, shall bear interest from such date or dates and at such rate or rates until the maturity thereof, payable on such Interest Payment Dates, and shall be stated to mature (subject to the right of prior redemption), all as provided in, or pursuant to, a Supplemental Indenture.

Both the principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender on the respective dates of payment thereof for the payment of public and private debts. Unless otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, the principal of all Bonds shall be payable at the designated corporate trust office of the Paying Agent upon the presentation and surrender of such Bonds as the same shall become due and payable.

Except to the extent otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, interest on any Bond is payable on any Interest Payment Date by check or draft mailed on the Interest Payment Date to the person in whose name that Bond is registered at the close of business on the Regular Record Date for such Interest Payment Date, at his address as it appears on the Bond Register. The Bonds shall bear interest from the Interest Payment Date next preceding the date on which they are authenticated unless authenticated on an Interest Payment Date in which event they shall bear interest from such Interest Payment Date, or unless authenticated before the first Interest Payment Date in which event they shall bear interest from their date; provided, however, that if a Bond is authenticated between a Record Date and the next succeeding Interest Payment Date, such Bond shall bear interest from such succeeding Interest Payment Date; provided further, however, that if at the time of authentication of any Bond interest thereon is in default, such Bond shall bear interest from the date to which interest has been paid. Any interest on any Bond which is payable, but is not punctually paid or provided for on any Interest Payment Date (hereinafter called “Defaulted Interest”) shall be paid to the Owner in whose name the Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) nor less than ten (10) days prior to the date of proposed payment. The Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special

Record Date therefor to be given by Electronic Means or mailed, first-class, postage-prepaid, to each Owner of record as of the fifth (5th) day prior to giving such notices, at his address as it appears in the Bond Register. The foregoing notwithstanding, but subject to the procedures set forth in Section 2.11 hereof, any Owner of Bonds of a Series in an aggregate principal amount of at least \$1,000,000 shall be entitled to have interest paid by wire transfer to such Owner to the bank account number on file with the Trustee and Paying Agent, upon requesting the same in a writing received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date, which writing shall specify the bank, which shall be a bank within the continental United States, and bank account number to which interest payments are to be wired. Any such request for interest payments by wire transfer shall remain in effect until rescinded or changed, in a writing delivered by the Owner to the Trustee and Paying Agent, and any such rescission or change of wire transfer instructions must be received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on overdue principal and to the extent lawful, on overdue interest will be payable at the numerical rate of interest borne by such Bonds on the day before the default occurred.

The Trustee is hereby constituted and appointed as Paying Agent for the Bonds and shall also be authorized to authenticate the Bonds.

Section 2.02. Execution. The Bonds shall be executed by the manual or facsimile signature of the Chairperson or Vice Chairperson of the Issuer, and the corporate seal of the Issuer shall appear thereon (which may be in facsimile) and shall be attested by the manual or facsimile signature of its Secretary or Assistant Secretary. Bonds executed as above provided may be issued and shall, upon request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

Section 2.03. Authentication. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created. The Trustee shall at all times serve as authentication agent and shall be authorized to authenticate the Bonds.

Section 2.04. Registration and Registrar. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the “Bond Register” or “Register”) in which, subject to the provisions set forth in Section 2.08 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. The Bond Registrar shall initially be kept at the Trustee’s designated corporate trust office in Fort Lauderdale, Florida.

Section 2.05. Mutilated, Destroyed, Lost or Stolen Bonds. If any Bond shall become mutilated, the Issuer shall execute and the Trustee shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of such mutilated Bond for cancellation, and the Issuer and the Trustee may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Master Indenture and applicable Supplemental Indenture equally and proportionately with any and all other Bonds of such same Series duly issued hereunder and under such Supplemental Indenture.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

Section 2.06. Temporary Bonds. Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

Section 2.07. Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar or the Paying Agent to, and cancelled and destroyed by, the Trustee in accordance with its retention policy then in effect.

Section 2.08. Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for registration of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office of the Registrar. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of giving of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of giving such notice, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

Section 2.09. Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, or the Registrar shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, and the Registrar shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

Section 2.10. Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with issuers of

Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

Section 2.11. Qualification for The Depository Trust Company. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York (“DTC”) and other depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, telecopy or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“Direct Participants”) and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds (“Beneficial Owners”).

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through Direct Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DIRECT PARTICIPANTS AND DIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DIRECT PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed to be for reference to its respective successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the designated corporate trust office of the Trustee.

ARTICLE V
ACQUISITION AND CONSTRUCTION FUND

Section 5.01. Acquisition and Construction Fund. The Trustee shall establish an Acquisition and Construction Fund into which shall be deposited the proceeds from each Series of Bonds issued under the Indenture (unless otherwise specified herein or in the applicable Supplemental Indenture for a Series of Bonds) and from which Costs may be paid as set forth herein and in the applicable Supplemental Indenture. Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any Series Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate accounting in respect of the Costs of any designated portion of the Project including, but not limited to, a costs of issuance subaccount. Payments shall be made from the appropriate Series Account of the Acquisition and Construction Fund to pay any unpaid costs of issuance of the Series of Bonds in question, including without limitation, legal, engineering, and consultants' fees and to pay amounts to be reimbursed to the Issuer for Costs advanced, and thereafter to pay Costs of planning, financing, acquisition, construction, reconstruction, equipping and installation of the Project or portion thereof.

(a) *Deposits.* In addition to the deposit of amounts received by the Trustee on the date of issuance of each Series of Bonds, the Issuer shall pay or cause to be paid to the Trustee, for deposit into the Series Account of the Acquisition and Construction Fund, as promptly as practicable, the following amounts:

(i) Subject to the provisions of Section 9.24 hereof, payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof;

(ii) Subject to the provisions of Section 9.14 hereof, the balance of insurance proceeds with respect to the loss or destruction of the Project or any portion thereof;

(iii) Deposits made by the Developer pursuant to the terms and provisions of a Developer Funding Agreement; and

(iv) Amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of the Project.

Amounts in the applicable Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of the Project or a portion thereof, as applicable, pertaining to the Series

of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project, such amounts shall be applied as set forth in paragraph (c) below.

(b) *Disbursements.* Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this Section. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to authorize disbursement of funds from the Acquisition and Construction Fund.

(c) *Completion of Project.* On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery to the Trustee of a Certificate of the Consulting Engineer and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

ARTICLE VI
SPECIAL ASSESSMENTS;
APPLICATION THEREOF TO FUNDS AND ACCOUNTS

Section 6.01. Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. Any funds for which the Issuer does not so notify the Trustee upon the deposit thereof with the Trustee will be deposited in the Revenue Fund. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

Section 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental

Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

Section 6.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the following paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures, if applicable, remain therein, unless pursuant to any Tax Compliance Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Tax Compliance Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

Section 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all

other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the applicable Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such

Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

Section 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture and as provided herein; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the Issuer or the District Manager, on behalf of the Issuer, or the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by

the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

Section 6.06. Bond Redemption Fund. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08 and 9.14(c) of this Master Indenture. The Series Account within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary

mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

Section 6.07. Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

Section 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar and Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

Section 6.09. Certain Moneys to Be Held for Series Bondowners Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

Section 6.10. Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Trustee in default with respect to any covenant in this

Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of the Issuer and if directed by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

Section 6.11. Rebate Fund. The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer, the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom if and as so directed by the Issuer at the times and in the amounts required to comply with any applicable provisions in the applicable Tax Compliance Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and as to the Issuer, also as set forth in the applicable Tax Compliance Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Tax Compliance Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Tax Compliance Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Tax Compliance Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Master Indenture, including in particular Article XIV hereof, the obligation of the Issuer to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Tax Compliance Certificate shall survive the defeasance or payment in full of the Bonds.

The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

ARTICLE VII
SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

Section 7.01. Deposits and Security Therefor. Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except with respect to Investment Securities of a type described in (iii) of the definition thereof, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

Section 7.02. Investment or Deposit of Funds. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and securities described in subparagraphs (iii), (iv), (v), (vi), (ix), (x), or (xi) of the definition of Investment Securities. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein or in the Supplemental Indenture with respect to a Series of Bonds. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so

received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid or absent standing instructions from the Issuer for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department.

Section 7.03. Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture 45 days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

ARTICLE VIII
REDEMPTION AND PURCHASE OF BONDS

Section 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the redemption price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to Section 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled mandatory sinking fund payments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased and cancelled pursuant to Section 6.04 hereof.

Upon any redemption or purchase of Bonds other than in accordance with scheduled mandatory sinking fund payments, the Issuer shall cause to be recalculated and delivered to the Trustee a revised mandatory sinking fund schedule recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The mandatory sinking fund payments as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund payments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund payment due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent years.

Section 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to mail such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;

(d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

(e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use Electronic Means provided the Trustee can establish such other means of giving notice was in fact given.

Section 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly given, mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so given, mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

Section 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations. The Issuer or the District Manager, on behalf of the Issuer, shall be responsible for calculating such revised sinking fund installments and provide the Trustee with the revised sinking fund installments.

[END OF ARTICLE VIII]

**ARTICLE IX
COVENANTS OF THE ISSUER**

Section 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

Section 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE CITY, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE CITY, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

Section 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

Section 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence or during the continuance of an Event of Default and the Majority Holders of a Series of Bonds are providing direction as to the method of collection, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands and will direct bill the applicable landowners for the same either prior to platting of such lands or if the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders of the applicable Series of Bonds directs the Issuer otherwise upon an Event of Default. Upon any failure of any property owner to pay an installment of Special Assessments when due (with respect Special Assessments collected directly by the Issuer), the entire Special Assessment on the parcel or parcels as to which such delinquency pertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its own behalf or through the actions

of the Trustee may, and shall, if so directed in writing by the Majority Holders of the related Series of Bonds, at the Issuer's own expense, cause such delinquent property to be foreclosed as hereafter provided. The Issuer covenants it shall promptly, after written notice to the delinquent landowner, but not later than one hundred twenty (120) days from the due date of such Special Assessments that have not been paid, cause there to be brought legal proceedings for the foreclosure of the Special Assessment lien including interest and penalties with respect to such tax parcel. The foreclosure proceedings shall be prosecuted to sale and conveyance of such tax parcel as now provided by law in suits to foreclose mortgages unless the Majority Holders provide written direction to suspend or terminate such foreclosure proceedings. Nothing herein shall obligate the Issuer to credit bid at any foreclosure sale. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Master Indenture. The Issuer covenants to comply with all proceedings relating to the imposition and collection of the Special Assessments and will not make material amendments to any assessment methodology relating to the Special Assessments without the written consent of the Majority Holders. If directed by the Beneficial Owners of a majority of the Bonds Outstanding or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee may place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Beneficial Owners of a majority of the Bonds of a Series so effected by such foreclosure, for the benefit of the Registered Owners.

Section 9.05. [RESERVED].

Section 9.06. [RESERVED].

Section 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. A signed copy of such audit shall, as soon as practicable after such audit shall become available, and shall, upon written request, be mailed to any Registered Owner.

Section 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after the Completion Date and the Board has adopted a resolution accepting the Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with

prepayments derived from application of the “True-Up” mechanism therein, require the Issuer, upon receipt of the prepayment by the Trustee, to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least 45 days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after the Project has been completed and the Board has adopted a resolution accepting the Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall within five (5) Business Days pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits as the case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Issuer or the District Manager, on behalf of the Issuer, shall calculate the credit, if any, authorized pursuant to Section 6.05 hereof, and inform the Trustee in writing to transfer such credit, if any, to the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the

case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

Section 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Series account within of the Revenue Fund or Bond Redemption Fund to which such payment relates.

Section 9.10. Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

Section 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

Section 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

Section 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, the County, the City or any of their agencies,

departments or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

Section 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the Trustee for such purpose which may be an Account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) if so provided in a Supplemental Indenture, into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. To the extent a Supplemental Indenture provides for extraordinary mandatory redemption in the event the Issuer receives insurance proceeds or condemnation awards, the Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited

directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. “Qualified Self Insurance” means insurance maintained through a program of self-insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

Section 9.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

Section 9.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

Section 9.17. Books and Records. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

Section 9.18. Observance of Accounting Standards. The Issuer covenants that all the accounts and records of the Issuer relating to the Project will be kept according to Generally Accepted Accounting Principles consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture.

Section 9.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

Section 9.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee to hold solely as a repository with no duty to review the contents thereof.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to the Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when

such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

Section 9.21. Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable repute for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of the Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Project owned by the Issuer have been maintained in good repair, working order and condition, and (ii) its recommendations as to the proper maintenance, repair and operation of the Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose.

Copies of such annual report shall be mailed by the Issuer to any Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

Section 9.22. Audit Reports. The Issuer covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

Section 9.23. Information Required to Be Maintained by the Issuer. The Issuer shall cause to be kept on file at all times copies of the schedules of Special Assessments levied on all District Lands in respect of a Project. The Issuer shall keep accurate records and books of account with respect to a Project, and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 9.22 hereof.

Section 9.24. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising any Project that are to be conveyed by the Issuer to the County, the City, the State Department of Transportation or another governmental entity and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber any Project, or any part thereof. Subject to the provisions of Section 9.31 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction,

maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of the Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

Section 9.25. Enforcement of Ancillary Agreements. The Issuer covenants that it shall promptly and strictly enforce the provisions of the Ancillary Agreements. Upon the occurrence of an event entitling the Issuer to pursue its remedies under the Ancillary Agreements, the Issuer covenants and agrees it will timely pursue such remedies in accordance with the Ancillary Agreements, and upon an Event of Default hereunder, the Issuer agrees that the Trustee, upon the written direction of the Majority Holders, may enforce the provisions of the Ancillary Agreements in lieu of the Issuer.

Section 9.26. No Loss of Lien on Pledged Revenues. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

Section 9.27. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

Section 9.28. Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues, except in the ordinary course of business.

Section 9.29. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged

apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

Section 9.30. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

Section 9.31. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes (“Tax-Exempt Bonds”) which would cause such Bonds to be “arbitrage bonds” as that term is defined in Section 148 (or any successor provision thereto) of the Code or “private activity bonds” as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Tax Compliance Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

Section 9.32. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

Section 9.33. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or any other Person (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any Participating Underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, “Beneficial Owner” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

Section 9.34. Bankruptcy of Developer or Other Obligated Person Under the Rule. The provisions of this Section 9.34 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other “obligated” person (as defined under the applicable Continuing Disclosure Agreement) (herein, the “Landowner”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Bonds remain Outstanding, in any Proceeding involving the Issuer, any Landowner, or the Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee and the Trustee, subject to the satisfaction of its rights under Article XI hereof, shall be obligated to act in accordance with the direction from the Beneficial Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds with regard to all matters directly or indirectly affecting the Bonds.

(a) The Issuer acknowledges and agrees that, although the Bonds will be issued by the Issuer, the Beneficial Owners of such Bonds are categorically the party with a financial stake in the repayment of the Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner:

(i) the Issuer hereby agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Holders of the Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments relating to the Bonds Outstanding, the Outstanding Bonds or any rights of the Trustee under the Indenture (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Holders of the Bonds Outstanding, to the proposed action if the Issuer does not receive a written response from the Trustee within sixty (60) days following receipt by the Trustee of the written request for consent);

(ii) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments, the Bonds or any rights of the Trustee or Bondholders under this Master Indenture or applicable Supplemental Trust Indenture that is inconsistent with any direction from the Trustee;

(iii) the Issuer hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Holders of the Bonds Outstanding, to the proposed action if the Issuer does not receive a written response from the Trustee within sixty (60) days following receipt by the Trustee of the written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the Issuer, as claimant with respect to the Special Assessments relating to the Bonds would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the Issuer shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the Issuer in

connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Special Assessments relating to the Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Landowner's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer's claim with respect to the Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

(b) Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee; provided, however, that the Issuer shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (a)(iv) above, unless such has a negative effect on the Issuer's operation and maintenance claim; provided, however that in no event shall the Issuer seek to reduce the amount of any Special Assessments.

(c) Notwithstanding anything herein to the contrary, the Trustee shall only act in connection with a Proceeding upon timely written direction of the Majority Holders, upon which the Trustee may conclusively rely, together with indemnity satisfactory to the Trustee sufficient to cover any fees, costs and expenses (including attorney's fees, costs and expenses) of the Trustee or that may be incurred by the Trustee in connections with such Proceeding. The Trustee shall have no liability for any failure to act with respect to any Proceeding if it does not receive such written direction and indemnity in a sufficiently timely manner in order for the Trustee to meet any deadline applicable to such Proceeding and the Trustee shall be entitled to all of the rights and protections granted to it under Article XI of the Indenture regardless of whether there exists an Event of Default. The Issuer shall notify a Responsible Officer of the Trustee in writing (the "Bankruptcy Notice") immediately upon obtaining knowledge of any Proceeding. In addition to giving notice of the Proceeding in reasonable detail, the Bankruptcy Notice shall also specifically reference this Section 9.34(c). In the event that the Trustee receives any moneys as the result of a

Proceeding, the Trustee shall first reimburse any of its outstanding fees and/or the fees, costs and expenses incurred in connection with the Proceedings (including attorney's fees, costs and expenses) prior to otherwise distributing such moneys.

ARTICLE X
EVENTS OF DEFAULT AND REMEDIES

Section 10.01. Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

Section 10.02. Events of Default Defined. Each of the following shall be an “Event of Default” under the Indenture, with respect to a Series of Bonds:

- (a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or
- (d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or
- (f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if any time the amount in any Series Account of the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of a Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) more than twenty percent (20%) of the “maintenance special assessments” levied by the Issuer on District lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days after the date when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (e) above has occurred.

Section 10.03. No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or 100% of the Holders of the Outstanding Bonds of such Series of Bonds agree to such redemption.

Section 10.04. Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

Section 10.05. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Section 10.06. Bondholders May Direct Proceedings. The Majority Holders of the Outstanding Bonds of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the applicable provisions of the Indenture.

Section 10.07. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Outstanding Bonds of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

Section 10.08. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

Section 10.09. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 10.10. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

Section 10.11. Application of Moneys in Event of Default. Any moneys held by the Trustee or received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

Section 10.12. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State.

Section 10.13. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

Section 10.14. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under his Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

ARTICLE XI
THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

Section 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto and the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

Section 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

Section 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel or other experts concerning all questions hereunder; the Trustee shall not be answerable for the default or misconduct of any attorney or agent selected by it with reasonable care or for following the advice of Counsel or other experts. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct hereunder.

Section 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall each month, along with its monthly trust statements, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

Section 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by Electronic Means or first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events

of Default” in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

Section 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

Section 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, Electronic Means, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

Section 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

Section 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means or first-class mail to

each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

Section 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

Section 11.13. Appointment of Successor Trustee. Section 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. **ARTICLE XIII
AMENDMENTS AND SUPPLEMENTS**

Section 13.01. Amendments and Supplements Without Bondholders' Consent. This Master Indenture and any Supplemental Indenture may be amended or supplemented, from time to time, without the consent of the Bondholders, by a Supplemental Indenture authorized by a Certified Resolution of the Issuer filed with the Trustee, for one or more of the following purposes:

(a) to add additional covenants of the Issuer or to surrender any right or power herein conferred upon the Issuer;

(b) for any purpose not inconsistent with the terms of the related Indenture, or to cure any ambiguity or to cure, correct or supplement any defective provision (whether because of any inconsistency with any other provision hereof or otherwise) of the related Indenture, in such manner as shall not impair the security hereof or thereof or adversely affect the rights and remedies of the Bondholders;

(c) to provide for the execution of any and all contracts and other documents as may be required in order to effectuate the conveyance of any portion of a Project to the State, the County, the City, or any department, agency or branch thereof, or any other unit of government of the State, provided, however, that the Issuer shall have caused to be delivered to the Trustee an opinion of Bond Counsel stating that such conveyance shall not impair the security hereof or adversely affect the rights and remedies of the Bondholders; and

(d) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190 and 197, Florida Statutes, so long as, in the opinion of counsel to the Issuer, such changes either: (i) do not have a material adverse effect on the Holders of the Bonds; or (ii) if such changes do have an adverse effect, that they nevertheless are required to be made as a result of such amendments.

Section 13.02. Amendments With Bondholders' Consent. Subject to the provisions of Section 13.01 hereof, this Master Indenture and any Supplemental Indenture may be amended from time to time by a Supplemental Indenture approved by the Majority Holders in aggregate principal amount of the Bonds then Outstanding in the case of this Master Indenture, and of the Series of Bonds then Outstanding and secured by such Supplemental Indenture in the case of an amendment of a Supplemental Indenture including, but not limited to, any material amendment to the Special Assessments and related proceedings which secure a Series of Bonds; provided that with respect to (a) the interest payable upon any Bonds, (b) the dates of maturity or redemption provisions of any Bonds, (c) this Article XIII and (d) the security provisions hereunder or under any Supplemental Indenture, which may only be amended by approval of the Owners of all Outstanding Bonds to be so amended.

Section 13.03. Trustee Authorized to Join in Amendments and Supplements; Reliance on Counsel. The Trustee is authorized to join in the execution and delivery of any Supplemental Indenture or amendment permitted by this Article XIII and in so doing is entitled to require and to rely on a written opinion of Counsel at the expense of the Issuer that such Supplemental Indenture or amendment is so permitted and has been duly authorized by the Issuer and that all things

Money so deposited with the Escrow Agent which remains unclaimed three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Escrow Agent in default with respect to any covenant in the Indenture or the Bonds of the Series contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Escrow Agent, before making payment to the Issuer, at the expense of the Issuer, may, and if directed by the Issuer shall, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

The Bonds are issued under and secured by a Master Trust Indenture dated as of March 1, 2025 (the “Master Indenture”), [as amended] and supplemented by a _____ Supplemental Trust Indenture dated as of _____, 2025 (the “_____ Supplemental Indenture” and together with the Master Indenture, the “Indenture”), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the corporate trust office of the Trustee in Fort Lauderdale, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds issued under the Indenture, the operation and application of the Debt Service Fund and other Funds and Accounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of, premium, if any, and the interest on the Bonds, the levy and the evidencing and certifying for collection, of Special Assessments, the nature and extent of the security for the Bonds, the terms and conditions on which the Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of Bonds, the conditions under which such Indenture may be amended with the consent of the registered owners of a majority in aggregate principal amount of the Bonds Outstanding, and as to other rights and remedies of the registered owners of the Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City, the County, the State of Florida or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the City, the County, the State of Florida or any other political subdivision thereof, for the payment of the principal of, premium, if any, and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of Special Assessments to secure and pay the Bonds.

The Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Bonds shall be made on the dates specified below. Upon any redemption of Bonds other than in accordance with scheduled mandatory sinking fund payments, the Issuer shall cause to be recalculated and delivered to the Trustee a revised mandatory sinking fund schedule recalculated so as to amortize the Outstanding principal amount of Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds. The mandatory sinking fund payments as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund payments for all Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund payment due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part

Notice of Redemption

The Trustee shall cause notice of redemption to be mailed by first class mail, postage prepaid, at least thirty but not more than sixty days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the designated corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of

funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

Partial Redemption of Bonds. If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds Outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes.

All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2025 Interest Account.” Moneys deposited into the Series 2025 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2025 Capitalized Interest Account.” Moneys deposited into the Series 2025 Capitalized Interest Account pursuant to Section 6.04 of the Master Indenture and Section 2.06 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2025 Sinking Fund Account.” Moneys shall be deposited into the Series 2025 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2025 Reserve Account.” Proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture. Subject to the next succeeding paragraph, all investment earnings on moneys in the Series 2025 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner

from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account as described below to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition that has been submitted to Trustee, all or a portion of which remains unfunded for the payment of Costs of the Capital Improvement Plan as further provided in Section 4.01(a) herein and applied for the purposes provided therein. Such payment is authorized notwithstanding that the Completion Date might have been declared provided there are Costs of the Capital Improvement Plan that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee, and the Trustee shall apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2025 Bond Redemption Account” and within such Account, a “Series 2025 General Redemption Subaccount,” a “Series 2025 Optional Redemption Subaccount,” and a “Series 2025 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2025 Bonds, moneys to be deposited into the Series 2025 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2025 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held in such Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2025 Bonds equal to the amount

of money transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2025 Rebate Fund designated as the “Series 2025 Rebate Fund.” Moneys shall be deposited into the Series 2025 Rebate Fund, as provided in the Tax Compliance Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2025 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2025 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2025 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amount on deposit in the Series 2025 Interest Account or the Series 2025 Capitalized Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2025 Capitalized Interest Account, then the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is the principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds; and

SIXTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such

Series 2025 Revenue Account, unless pursuant to the Tax Compliance Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Notwithstanding that the Issuer has funded the Series 2025 Capitalized Interest Account to pay interest on the Series 2025 Bonds through at least November 1, 2025, moneys on deposit in the Series 2025 Capitalized Interest Account, including all investment earnings thereon, shall remain on deposit in such Account and be used by the Trustee to pay interest on the Series 2025 Bonds on any subsequent interest Payment Date if moneys remain after November 1, 2025. When such Account has been depleted of all funds, the Trustee shall be authorized to close such Account.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Indenture and to pledge the Series 2025 Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Series 2025 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds, except as otherwise permitted under the Master Indenture. The Series 2025 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2025 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. The Capital Improvement Plan to Conform to Engineer's Report. Upon the issuance of the Series 2025 Bonds, the Issuer will promptly proceed to construct or acquire the Capital Improvement Plan, as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of 2025 Special Assessment Liens.

(a) At any time any owner of property subject to the 2025 Special Assessments may, at its option, or as a result of acceleration of the 2025 Special Assessments because of non-payment thereof or as a result of true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the 2025 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the 2025 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2025 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) hereof and the resulting redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the Issuer, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2025 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2025 Bonds, there will be sufficient Series 2025 Pledged Revenues to pay the principal and interest, when due, on all Series 2025 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2025 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the District that the 2025 Special Assessment has been paid in whole or in part and that such 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2025 Prepayment Principal. The Issuer or the District Manager, on behalf of the Issuer, shall calculate the amount available for extraordinary mandatory redemption of the Series 2025 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and will withdraw money from the Series 2025 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2025 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2025 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2025 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of 2025 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the 2025 Special Assessments relating to the acquisition and construction of the Capital Improvement Plan through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the 2025 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the 2025 Special Assessments, and to levy the 2025 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2025 Bonds when due. All 2025 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2025 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject to the Series 2025 Special Assessments unless the Series 2025 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Trustee and the Issuer may rely on a written certificate from the District Manager regarding the occurrence of the Series 2025 Special Assessments being Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2025 Special Assessments, at any time upon the written consent of the Majority Holders.

SECTION 5.05. Requisite Owners for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires more than fifty percent (50%) of the Owners, shall in each case be deemed to refer to, and shall mean, the Majority Holders.

SECTION 5.06. Acknowledgement Regarding Series 2025 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding and

provided, however, that such actions shall not affect the tax exempt status of the Series 2025 Bonds, the Issuer hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2025 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Capital Improvement Plan or otherwise) without the consent of the Majority Holders, and (iii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer also acknowledges and agrees that from and after an Event of Default, the Trustee is authorized to exercise the Issuer's rights under the Collateral Assignment at the direction of the Majority Holders but without the consent or approval of the Issuer and the Issuer covenants not to enter into any contract regarding the Capital Improvement Plan from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

This Bond is one of an authorized issue of Bonds of the Old Town Floridian Community Development District, a community development district duly created, organized and existing under Chapter 190, Florida Statutes (the Uniform Community Development District Act of 1980), as amended (the "Act"), approved by Resolution No. 20-55 of the City Commission of the City of Florida City, Florida adopted on September 22, 2020 and created by Ordinance No. 21-27 of the Board of County Commissioners of Miami-Dade County, Florida on April 20, 2021 and effective on April 30, 2021, designated as "Old Town Floridian Community Development District Special Assessment Bonds, Series 2025" (the "Bonds" or the "Series 2025 Bonds"), in the aggregate principal amount of _____ AND 00/100 DOLLARS (\$_____) of like date, tenor and effect, except as to number, denomination, interest rate and maturity date. The Series 2025 Bonds are being issued under authority of the laws and Constitution of the State of Florida, including particularly the Act, to pay the costs of constructing and/or acquiring the Capital Improvement Plan (as defined in the herein referred to Indenture). The Series 2025 Bonds shall be issued as fully registered bonds in authorized denominations, as set forth in the Indenture. The Bonds are issued under and secured by a Master Trust Indenture dated as of March 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of March 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the designated corporate trust office of the Trustee in Fort Lauderdale, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Series 2025 Bonds issued under the Indenture, the operation and application of the Debt Service Fund, the Series 2025 Reserve Account within the Debt Service Reserve Fund and other Funds and Accounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of and the interest on the Series 2025 Bonds, the levy and the evidencing and certifying for collection, of the 2025 Special Assessments, the nature and extent of the security for the Bonds, the terms and conditions on which the Series 2025 Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of the Series 2025 Bonds, the conditions under which such Indenture may be amended with the consent of the Majority Holders of the Series 2025 Bonds outstanding, and as to other rights and remedies of the registered owners of the Series 2025 Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the City, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for 2025 Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Series 2025 Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of 2025 Special Assessments to secure and pay the Bonds.

The Series 2025 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Series 2025 Bonds shall be made on the dates specified below. Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemption, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date.

(i) from Series 2025 Prepayment Principal (including any credit from resulting excess in the Series 2025 Reserve Account) deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of 2025 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2025 Rebate Fund and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the Capital Improvement Plan and which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Trustee or the Paying Agent, all as provided in the Indenture, the Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Bonds or such portions thereof on such date, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Trustee or the Paying Agent. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer,

thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

WHEREAS, all of the Subject Property is owned by the Assignor; and

WHEREAS, the Assignor covenants that the Assignor has all necessary authority to develop the Subject Property, complete the Project, and enter into this Assignment with the District; and

(e) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the Project and construction of improvements thereon and off-site to the extent improvements are necessary or required to complete the development of the Subject Property.

(f) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the Project or the construction of improvements on the Subject Property.

(g) Contracts and agreements with private utility providers to provide utility services to the Subject Property.

(h) All prepaid impact fees, impact fee credits, mobility fee credits, and mitigation credits.

(i) Assignor's rights as declarant under any recorded covenants, conditions and restrictions of any property owners or homeowners association with respect to the Subject Property.

(j) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

(B) This Assignment is not intended to and shall not impair or interfere with the development of the Subject Property, and shall be inchoate and shall only become an absolute assignment and assumption of the Development Rights, only upon the District's exercise of its rights hereunder upon a failure of the Assignor to pay the Series 2025 Special Assessments levied against any portion of Subject Property owned by the Assignor, failure of the Assignor to satisfy its respective true-up obligation, a default or failure to perform under any of the documents entered into in connection with the issuance of the Series 2025 Bonds, to the extent applicable, or Event of Default hereunder, which default or failure remains uncured after passage of any applicable cure period. The District shall not be deemed to have assumed any obligations associated with the Development Rights unless and until the District exercises its rights under this Assignment, and then only to the extent of such exercise.

(C) If this Assignment has not become absolute, it shall automatically terminate upon the earliest to occur of the following events: (i) payment of the Series 2025 Bonds in full; (ii) Development Completion which shall mean the issuance of certificates of occupancy for all residential units and non-residential space; (iii) transfer of any Development Rights to the City, the County, the State of Florida, the District, any utility provider, any other governmental or quasi-governmental entity; any homeowners' or property owners' association, but only to the extent of such transfer; or (iv) transfer of fully developed Lots which have been conveyed to unaffiliated homebuilders or residential end-users but only as to such Lots transferred, from time to time.

3. **Warranties by Each Assignor.** The Assignor represents and warrants to Assignee that:

(a) Other than in connection with the sale or conveyance of Lots (completed or otherwise) or property, or in connection with securing a construction loan from an institutional lender to finance the development of the Project on the Subject Property, the Assignor has made no assignment of the Development Rights to any person other than Assignee.

(b) The Assignor is not prohibited under any agreement with any other person or under any judgment or decree from the execution and delivery of this Assignment.

(c) No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of the Assignor's obligations herein contained.

(d) Any transfer, conveyance or sale of Lots shall subject any and all affiliated entities or successors-in-interest or successors in title of the Assignor to the Assignment, except to the extent of a conveyance described in Section 2 relating to Excluded Property.

4. **Covenants.** The Assignor covenants with the Assignee that during the Term (as defined herein):

(a) The Assignor will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of the Assignor relating to the Development Rights and (ii) give notice to the Assignee of any claim of default relating to the Development Rights given to or by the Assignor, together with a complete copy of any such claim.

(b) The Development Rights include all of the Assignor's right to modify the Development Rights, and to waive or release the performance or observance of any obligation or condition of the Development Rights.

(c) The Assignor agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then outstanding Series 2025 Bonds.

(d) The Assignor shall pay the Series 2025 Special Assessments levied against the portions of the Subject Property owned by the Assignor when such Series 2025 Special Assessments are due.

5. **Events of Default.** Any breach of any of the Assignor's warranties contained in Section 3 hereof or breach of covenants contained in Section 4 hereof will, after the giving of written notice and an opportunity to cure (which cure period shall not be greater than thirty (30) days unless Assignee, in its sole discretion, agrees to a longer cure period) shall constitute an Event of Default under this Assignment.

6. **Remedies Upon Default.** Upon an Event of Default, or the transfer of title to Lots or other property owned by Assignor pursuant to a judgment of foreclosure entered by a court of competent jurisdiction in favor of Assignee (or its designee) or a deed in lieu of foreclosure to Assignee (or its designee) (herein a "Transfer"), Assignee may directly or by way of an agent appointed by the Assignee, as Assignee's sole and exclusive remedies under this Assignment, take any or all of the following actions, at Assignee's option:

(a) Perform any and all obligations of the respective Assignor relating to the Development Rights and exercise any and all rights of Assignor therein as fully as the Assignor could.

(b) Initiate, appear in, or defend any action arising out of or affecting the Development Rights.

(c) Further assign any and all of the Development Rights to a third party acquiring title to the Property so acquired or any portion thereof on the District's or the bondholders' behalf.

7. **Authorization.** Upon the occurrence of an Event of Default or Transfer, Assignor does hereby authorize and shall direct any party to any agreement relating to the

Development Rights to tender performance thereunder to Assignee or its designee upon written notice and request from Assignee. Any such performance in favor of Assignee or its designee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Assignor, but not a release of Assignor from any remaining obligations under this Assignment.

8. **Term and Termination.** In the event this Assignment does not become an effective and absolute assignment and assumption of the Development Rights, this Assignment shall automatically terminate upon the earliest to occur of the following (the “Term”): (i) payment of the Series 2025 Bonds, plus accrued interest in full; (ii) completion of the construction and sale of all Lots within the Subject Property to end-users; or (iii) upon occurrence of a Prior Transfer, but only to the extent that such Development Rights are subject to the Prior Transfer.

9. **Third Party Beneficiaries and Direction of Remedies Upon Default.** This Assignment shall inure to the benefit of U.S. Bank Trust Company, National Association, as Trustee for the Series 2025 Bonds (the “Trustee”), and the holders of the Series 2025 Bonds and such parties are hereby deemed third party beneficiaries of this Assignment. In the event of an Event of Default, the Trustee, acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2025 Bonds then outstanding, shall have the right to direct the actions of the District and select the remedies in this Assignment. The term “Majority,” as used herein, shall mean more than fifty (50%) percent. The District hereby agrees that it shall not take any material action under this Assignment that would have the effect of reducing the total annual debt service revenue collected or to be collected for the Series 2025 Bonds without the prior written consent of the Trustee, acting at the direction and on behalf of the owners of a Majority of the Series 2025 Bonds then outstanding, fail to take any action under this Assignment after direction from the Trustee, or take any action under this Assignment inconsistent with any direction of the Trustee. The Trustee shall not be deemed to have assumed any obligations hereunder.

10. **Amendment.** Except with respect to a partial release or a termination as provided in Section 8 above (each of which may be executed solely by Assignee), this Assignment may not be amended, modified, altered, or changed in any respect whatsoever except by a further agreement in writing duly executed by the parties hereto. Notwithstanding anything herein to the contrary, this assignment may not be materially amended in a manner that has the effect of reducing the total annual debt service revenue collected or to be collected for the payment of scheduled debt service on the Series 2025 Bonds without the written consent of the Trustee for the Series 2025 Bonds, acting at the direction of the Bondholders (as defined in the Indenture for the Series 2025 Bonds) owning a Majority of the aggregate principal amount of the Series 2025 Bonds then outstanding.

11. **Notices.** All notices, requests, consents and other communications required or permitted under this Assignment shall be in writing and shall be (as elected by the person giving such notice) hand-delivered by prepaid express overnight courier or messenger service, telecommunicated, or mailed (airmail if international) by registered or certified (postage prepaid), return receipt requested, to the following addresses:

(SERIES 2025 BONDS)**

This True-Up Agreement (the “Agreement”) is made and entered into this _____ day of _____, 2025 (the “Effective Date”), by and between:

OLD TOWN FLORIDIAN COMMUNITY DEVELOPMENT DISTRICT, a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes, being situated in the City of Florida City, Miami-Dade County, Florida, and whose mailing address is c/o Special District Services, Inc., 2501A Burns Road, Palm Beach Gardens, Florida 33410 (the “District”); and

RECITALS

WHEREAS, the District is a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes, Ordinance No. 21-27 enacted by the Board of County Commissioners of Miami-Dade County, Florida, on April 20, 2021 and effective April 30, 2021 (the “Ordinance”), and resolution No. 20-55 of the City Commission of the City of Florida City, Florida, adopted September 22, 2020, for the purpose of planning, financing, constructing, installing, operating, acquiring and/or maintaining certain public infrastructure to serve the residential community within the boundaries of the District; and

WHEREAS, the Developer is the developer of certain lands comprised of approximately **77.14+/-** gross acres located within the boundaries of the District and within the municipal boundaries of the City of Florida City within Miami-Dade County, Florida, which lands are described with particularity in Exhibit A, attached hereto and made a part hereof (the “District Lands”), and in the Engineer’s Report and the Assessment Methodology, each as later defined; and

(the “Engineer”), as may be amended or supplemented from time to time (the “Engineer’s Report”), and in the plans and specifications on file at the office of the District (collectively, the “Improvements” or the “Project”), which Engineer’s Report and Project plans and specifications are hereby incorporated into and made a part of this Agreement by reference; and

WHEREAS, the District has imposed and levied non-ad valorem special assessments on the assessable acreage of the District Lands to secure financing for the acquisition and construction of the Project described in the Engineer’s Report and has validated special assessment bonds to fund the planning, design, permitting, construction and/or acquisition of such Project; and

WHEREAS, the District has imposed and levied such non-ad valorem special assessments (herein the “Series 2025 Special Assessments”) against the assessable acreage of the District Lands in accordance with the provisions of Chapters 170, 190 and 197, Florida Statutes, for purposes of paying certain \$_____ Old Town Floridian Community Development District Special Assessment Bonds, Series 2025, as described in the Assessment Methodology, as later defined (collectively, the “Series 2025 Bonds”) to be issued pursuant to Chapter 190, Florida Statutes; and

WHEREAS, as the owner of the District Lands, the Developer is responsible for the payment of all taxes and assessments, including the Series 2025 Special Assessments; and

WHEREAS, the District has accepted and utilized the provisions of the Master Special Assessment Methodology Report, dated May 18, 2023 (the “Master Methodology”) and the **final Supplemental Special Assessment Methodology Report**, dated _____, 2025 (the “Supplemental Methodology”), describing the assessment allocation for the Series 2025 Special Assessments levied in connection with the Series 2025 Bonds to be issued by the District, both the Master Methodology and the Supplemental Methodology having been prepared by Special District Services, Inc., as such may be amended and further supplemented from time to time, incorporated by specific reference thereto and made a part hereof (collectively, the “Assessment Methodology”); and

WHEREAS, the Series 2025 Special Assessments are initially levied on all 77.14 +/- gross acres constituting the District Lands, and as platting of the lands within the District occurs, the Series 2025 Special Assessments will be assigned to the platted lots in the Development, as defined in the Indenture, on a first platted, first assigned basis in accordance with the Supplemental Methodology; and

WHEREAS, the District relies upon and intends to utilize the true-up analysis and mechanism set forth in Section 7.0 of the Supplemental Methodology; and

WHEREAS, the District and the Developer agree pursuant to the terms of this Agreement to provide, if required, for certain payments to the District in accordance with the true-up analysis and mechanism referenced above and further described herein; and

WHEREAS, unless otherwise defined herein, all capitalized terms shall be as defined in the Assessment Methodology and the Indenture, as applicable, which Indenture is collectively defined as the Master Trust Indenture dated as of _____ 1, 2025 and the First Supplemental Trust Indenture dated as of _____ 1, 2025 (collectively, the “Indenture”), each between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and as such Indenture may be further amended and supplemented from time to time.

NOW THEREFORE, in consideration of the mutual covenants herein contained, and for Ten and no/100ths (\$10.00) Dollars from the District to the Developer and other good and valuable consideration between the parties, the receipt and sufficiency of which are hereby acknowledged by the parties, and subject to the terms and conditions hereof, the parties agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

2. TRUE-UP PROVISIONS.

(a) As stated in the Assessment Methodology, the allocation of debt is a continuous process until the development plan, constituting the 446 residential units of varying unit types (178 villa units, 160 townhome units, 108 single family units), as described in Table C of the Supplemental Methodology (the “Development Plan”), is completed. Prior to platting, replatting, the recording of a declaration of condominium, or other means of identifying individual lots, the initial Series 2025 Special Assessments shall be levied by the District on an equal per acre basis to all acreage within the District Lands.

(b) The true-up mechanism under this Agreement applies to the District Lands. As the District Lands that are benefitted by the Project are developed, the allocation of costs and benefit for the Project is based on an estimated number and type of dwelling units within the District for the Development Plan that are developed for a total number of equivalent assessable units (“EAUs”)

equaling 340.545 EAUs (“Total EAUs”), as shown and described in Table C to the Supplemental Methodology.

(c) The Supplemental Methodology, particularly Section 3.0 and 4.0, Table A, Table C, and Table D therein, allocates the benefit to the different categories of improvements that constitute the Project, utilizing various measures based upon the estimated number and type of residential units that are directly and specially benefited by the Project and constitute the Total EAUs. Correspondingly, consistent with Section 7.0 of the Supplemental Methodology, whenever a plat, re-plat, site plan amendment, declaration of condominium, amendment to declaration of condominium, or revision thereof is submitted for processing to the local governing authority that has jurisdiction thereof, the District must allocate a portion of its debt over the District Lands according to the Supplemental Methodology. In addition, to ensure that each assessable unit within the District is assessed no more than the fair apportionment of the annual debt service assigned to such unit as part of the Series 2025 Special Assessments as described in Table D of the Supplemental Methodology, the District shall perform a true-up test in accordance with Section 7.0 of the Supplemental Methodology.

(d) The true-up test shall be as follows:

(i) Based on the Development Plan, the District has fairly and reasonably allocated the benefit and will assign the debt across the various unit types based on the EAU factor attributable to each residential unit type, as described in Section 4.0, Table C, and Table D of the Supplemental Methodology.

Notwithstanding that which is set forth above and in the Supplemental Methodology, if future platting or filing a declaration of condominium results in significant changes in land use or proportion of benefit per acre, the allocation methodology of the Assessment Methodology may no longer be applicable and the District may determine, in its discretion, to revise the allocation methodology.

(ii) In accordance with Table E and Table F of the Supplemental Methodology, based on a Bond size of \$_____ at an average coupon interest rate of _____%, the maximum annual debt service for the Series 2025 Bonds will be approximately \$_____, which has been grossed up to include the 1% County Tax Collector fee, the 1% County Property Appraiser fee, and 4% discount for early payment of taxes (“Maximum Annual Debt Service”).

(iii) Until initial plat approval or recording or declaration of condominium, the debt associated with the Project is initially distributed across the District Lands on an equal acreage basis across the 77.14+/- gross acres of the District, as shown in Table E of the Supplemental Methodology. As plats are approved or declarations of condominium are recorded, the District Lands are assessed on a first platted, first assigned basis in the manner described in the Supplemental Methodology. As

platting of the Development Plan continues to occur, the Series 2025 Special Assessments will be assigned to the platted lots in the Development, as defined in the Indenture, on a first platted, first assigned basis in accordance with the Supplemental Methodology. For purposes of the Series 2025 Bonds, prior to final plat approval for the entire Development, based on a Bond size of \$ _____, each acre of land of remaining Unassigned Properties in the District will be assessed a maximum annual debt service of approximately \$ _____ per acre (currently grossed up to include the 1% County Tax Collector fee, the 1% County Property Appraiser fee, and a 4% discount for early payment of taxes) as set forth in Table E and Table F of the Supplemental Methodology.

- (iv) In accord with Section 7.0 of the Assessment Methodology, a true-up test shall be performed whenever a plat, re-plat, site plan amendment, declaration of condominium or amendment to declaration of condominium, or other revision to the Development Plan is submitted for processing to the local governing authority having jurisdiction thereof. At that time, the District must allocate the portion of the debt attributed to the benefitting real property according to the Supplemental Methodology and the EAU factors and allocations set forth above and calculate the number and type of assessable residential units in the proposed plat, re-plat, site plan amendment, declaration of condominium or amendment to declaration of condominium, or other revision to the Development Plan. The District shall also determine number of EAUs, taking into account the proposed plat, declaration of condominium, or site plan approval (“Planned EAUs”), and ascertain the current amount of potential remaining EAUs not accounted for in the Planned EAUs (“Remaining EAUs”).
- (v) If the Planned EAUs are equal to the Total EAUs, then no debt reduction payment must be made and no true-up payment is required.
- (vi) However, if at any time any true-up test calculation results in the sum of the Planned EAUs and the Remaining EAUs are less than the Total EAUs, the Developer shall, within ten (10) days following its receipt of written notice from the District that a true-up payment is due, make a debt reduction prepayment (including accrued interest) to the District in an amount sufficient to retire an amount of the Series 2025 Bonds then outstanding such that the par amount of the outstanding Series 2025 Bonds plus accrued interest is at a level that can be supported by the new maximum annual debt service based on the change in the Development Plan (the “Adjusted Maximum Debt Service”). Conversely, if the Planned Assessable Units or the mix of residential units is greater than the Total Assessable Units, then there will be a pro rata decrease in the annual Series 2025 Special Assessments across all of the assessable units.

(e) Correspondingly, consistent with Section 7.0 of the Assessment Methodology, whenever any plat, re-plat, declaration of condominium, site plan, or revision thereof is submitted to the applicable local governing authority and which changes the product types or product mix of the Development Plan over the District Lands, a true-up test shall be performed. Not later than fifteen (15) days after the date the plat, re-plat, declaration of condominium, site plan, or revision thereof is submitted to the applicable governing authority, the Developer shall inform the District of such proposed change in the Development Plan. Any payment resulting from such true-up test would be due to the District within ten (10) days of the plat, re-plat, declaration of condominium, site plan, or revision being approved by the local government entity reviewing the same or when the change in Development Plan is implemented, whichever is sooner.

(f) In the event that additional land not currently subject to the Series 2025 Special Assessments levied by the District is developed in such a manner as to receive special benefit from the Project described herein, it will be necessary for the District to re-apply the methodology for allocating the Series 2025 Special Assessments to include such parcels. The additional land will, as a result of re-applying the assessment methodology of the Assessment Methodology, then be allocated an appropriate share of the Series 2025 Special Assessments while all currently assessed parcels will receive a relative reduction in their assessments. This pro-rata adjustment shall still provide the same amount of revenue from such Series 2025 Special Assessments necessary for repayment of the Series 2025 Bonds.

(g) Additionally, at the time of approval of a final plat or re-plat pertaining to the portion of District Lands being developed pursuant to the Development Plan, if any debt associated with the Series 2025 Bonds remains unallocated, then the Developer shall make a payment to the District sufficient to retire all remaining unallocated debt, which payment shall include accrued interest.

(h) If the Developer transfers ownership of the District Lands, or any portion thereof, said District Lands will maintain the allocated number of and types of units in the Development Plan described in Table C and Table D of the Supplemental Methodology. If the Development Plan is changed or said District Lands, or portions thereof are subdivided, or platted or re-platted, impacted by the recording of a declaration of condominium, or site plan or revision, the true-up test will be performed and the Developer shall be responsible to make the debt reduction payment described herein after calculation of the true-up.

(i) The Developer shall not transfer any portion of the District Lands to any third party other than (a) platted and fully-developed lots to homebuilders and/or homebuyers, or (b) portions of the District Lands exempt from assessments to the City of Florida City, Miami-Dade County, the District, or other governmental agencies, except in accordance with Section 2(h)(ii) below. Any transfer of any portion of the District Lands pursuant to this Section 2(h)(i) shall terminate this Agreement as to such portion of the District Lands and constitute an automatic release of such portion of the District Lands from the scope and effect of this Agreement. Any violation of this provision by the Developer shall constitute a default under this Agreement.

(ii) The Developer shall not transfer any portion of the District Lands to any third party, except as permitted by Section 2(h)(i) above, without making any debt reduction payment (plus accrued interest) that results from a true-up tests analysis that will be performed by the District prior and as a condition to such transfer (“Transfer Condition”). Any transfer that is consummated pursuant to this Paragraph 2(h)(ii) shall operate as a release of the the Developer from its obligations under this Agreement as to such portion of the District Lands that is subject to such transfer, but only to the extent arising from and after the date of such transfer and satisfaction of the Transfer Condition, and the transferee shall be deemed to have assumed the Developer’s obligations in accordance herewith and shall be deemed the “Developer” from and after such transfer for all purposes as to such portion of the District Lands so transferred. Any violation of this provision by the Developer shall constitute a default under this Agreement.

(k) If the Developer transfers any portion of the District Lands on which Series 2025 Special Assessments are imposed to a unit of local, state or federal government, or similarly exempt entity (without the consent of that entity to the imposition of the Series 2025 Special Assessments thereon), all future unpaid Series 2025 Special Assessments for such transferred portion of the District Lands shall become due and payable to the District immediately prior to such transfer without further action of the District.

NOW THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

2. COMPLETION OF THE PROJECT.

(a) The Developer and District agree and acknowledge that the available net proceeds of the District's Series 2025 Bonds will provide only a portion of the funds necessary to complete the Project. The District will issue a total of \$ _____ in principal amount of Series 2025 Bonds, which will provide approximately \$ _____ in available Series 2025 Bond proceeds to pay for the Project. The Developer hereby agrees, subject to the provisions of this Agreement, including subsection (c) below (i) to complete or cause to be completed or (ii) to provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Project which remain unfunded from available net proceeds of the Series 2025 Bonds and from any amounts deposited pursuant to the Indenture into the Series 2025 Acquisition and Construction Account and from monies in the Series 2025 Reserve Account as a result of satisfaction of Release Conditions (as defined in the Indenture), including, but not limited to, all administrative, legal, warranty, engineering, permitting, real estate acquisition costs, or other related soft costs, for the Project directly and specially benefiting the District Lands (collectively, the "Remaining Improvements"), whether pursuant to existing contracts, contracts assigned by the Developer to the District, or future contracts, and all change orders to any such contracts. The Developer acknowledges that the Project is anticipated to be completed and conveyed before _____, 202__, and the Developer has no reason to believe the Remaining Improvements will not be completed and conveyed to the District within that time frame or that the Developer will not provide funds to the District to permit the Remaining Improvements to be completed within that time frame. The Developer shall cause the property interests associated with the Project to be conveyed to the District prior to the completion of the Project or within sixty (60) days of written demand of the District, whichever is earlier

(b) Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness, or to provide funds for any portion of the Remaining Improvements from any source other than the proceeds of the Series 2025 Bonds, including monies released from the Series 2025 Reserve Account upon satisfaction of the Release Conditions.

(c) The District and Developer hereby acknowledge and agree that the District's execution of this Agreement constitutes the manner and means by which the Developer will provide any and all portions of the Remaining Improvements not funded by net proceeds of the Series 2025 Bonds, as follows:

(i) The Developer shall diligently proceed to complete or cause to complete the Remaining Improvements (without regard to the estimated cost thereof set forth in the Engineer's Report) and convey such completed components of the Remaining Improvements to the District, subject to the terms of the Acquisition Agreement, dated June 21, 2023, between the District and the Developer and pertaining to the Project, as the same may be amended by the parties from time to time (collectively, the "Acquisition Agreement"); provided, however, when all or any portion of the Remaining Improvements are the subject of an existing District contract, whether procured or assumed by the District, then upon notice to the Developer by the District, the Developer shall promptly, in accordance with the Acquisition Agreement, provide funds directly to the District in an

amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.

(ii) When any portion of the Remaining Improvements are not the subject of an existing District contract, then upon notice to the Developer by the District, the Developer, within a commercially reasonable time, may request that it instead provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed those Remaining Improvements, subject to a formal determination by the Board of Supervisors in advance that the option selected by the Developer will not adversely impact the District and is in the District's best interests.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS.

(a) The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Project, including the Remaining Improvements, may change from that described in the Engineer's Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Project which could have the effect of reducing the payment of the scheduled debt service on the Series 2025 Bonds or the collection of the Series 2025 Special Assessments or which lessen Developer's obligations in this Agreement shall be made by a written amendment to the Engineer's Report, which shall include an estimate of the cost of the changes. Material changes to the Project shall require the prior written consent of the Trustee acting at the direction of the Bondholders (as defined in the Indenture) owning a Majority of the aggregate principal amount of the Series 2025 Bonds then outstanding. The term "Majority," as used herein, shall mean more than fifty (50%) percent.

(b) The District and Developer agree and acknowledge that for any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer for the benefit of the District shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer's Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government. All conveyances to the District shall be in accordance with the Acquisition Agreement or any other agreement or agreements governing conveyances between the Developer and the District.

(c) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by the Developer of its completion obligations hereunder is expressly subject to, dependent and conditioned upon (i) the issuance of Series 2025 Bonds in the aggregate par amount set forth above and use of available net proceeds thereof to fund a portion of the Project for the District Lands and (ii) the scope, configuration, size and/or composition of the Project for the District Lands not materially changing from the Engineer's Report, adopted by the District as of the Effective Date hereof, without the consent of the Developer; provided, however, such consent will not be necessary and the Developer must meet its completion obligations when the scope, configuration, size and/or composition of the Project is materially changed in response to a

requirement imposed by law or by a regulatory agency (to be understood as including any governmental action or requirement) other than the District.

(d) In the event of a conflict in a provision set forth in this Agreement and in the Acquisition Agreement, the applicable provisions of the Acquisition Agreement shall control.

4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE.

A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Notice of default must be given to the Developer, and the Developer shall thereafter have a commercially reasonable time to cure the default. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement.

5. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer. Additionally, this Agreement may not be materially amended in a manner that (a) could have the effect of reducing the total debt service revenue collected or to be collected for payment of debt service on the Series 2025 Bonds or (b) lessens Developer's obligations in this Agreement without the prior written consent of the Trustee for the Series 2025 Bonds, acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2025 Bonds then outstanding.

6. AUTHORIZATION.
